2 PPCLI Change of Command

On September 20 1990 the Second Battalion PPCLI staged a change of command parade at Kapyong Barracks. The outgoing CO, Lt-Col W.G.S. Sutherland, turned over his command to Lt-Col J.M. Lapeyre.

The parade was preceded by the usual rehearsals and practices. The Battalion had the honour of staging its dress rehearsal for the Col of the Regiment, B Gen Graham.

After the rehearsals and practices came the day for the actual parade. The troops had worked diligently to put on their best performance for the out going CO. The final results were impressive. After the arrival of the Reviewing Officer, B Gen. Vernon Comd ICBG, the Battalion was marched past with Lt-Col W.G.S. Sutherland leading. Once

the Battalion was halted, the signing of the Change of Comd documents took place. At this point both Lt-Col Sutherland and Lt-Col Lapeyre had the opportunity to say a few words to the soldiers on parade.

B Gen Vernon added his own words to praise the performance of the soldiers, not only on the parade square, but also on both field exercises and in the service of peace in Cyprus.

Once the speeches were over Lt-Col Lapeyre assumed command of the parade and the Battalion was marched past Lt-Col Sutherland as a last farewell. After being marched off the parade square, the troops retired to their respective messes to say more personal good byes to Lt-Col Sutherland. Having said their good byes the Battalion headed off on their well deserved post Cyprus leave.

Leave is now over and the Battalion is ready to set about proving once again, as Lt-Col Lapeyre said, that the Battalion is "second in name, second in number, but always second to none."

CO LCol J.M. Lapeyre (L) is shown receiving the Commanding Officer's Sword from LCol W.G.S. Sutherland (R).

429 Sqn in the Middle East

Early in October, five members of 429 Squadron Detachment Winnipeg departed for Qatar in the Middle East. Major D. Thain, Captain C. Gallego, Lieutenant D. Belliveau, Sergeant R. Bourquin and Master Corporal G. Pullen joined fellow squadron members from Trenton in one of the largest airlifts in recent memory. Flying the CC130 Hercules Aircraft, our personnel are part of the overall Air Transport Group Effort to deploy 18

Canadian CF-18s to Qatar. This squadron of CF-18s will provide air support to the three Canadian ships currently enforcing a United Nations sanctioned sea blockade of Iraq.

The deployment will involve several round trips from the CF-18 home base of Baden-Sollengin and Lahr in West Germany via a staging base in the Mediterranean Ocean and then into Qatar.

Aircraft #310 was deployed with the 429 Sqn Det.

MQ Beautification Contest

MWO Larry Herrod, 261 Ubique Cres, receives his First Prize of \$150 from LCol Forestell, BADMO, for the fine display of flowers and ornaments Larry and Maria had around their MQ this summer.

Maj John Learmond and his wife Paula receive their cheque for \$100, second prize in this year's MQ Beautification Contest. John and Paula live at 480 Sharp Blvd, a real showplace.

PO2 Ted Scott gets ready to hand a cheque for \$50 over to his better half. Ted and Shirley won third prize in the MQ Beautification Contest for the work they did to make 26 Braintree a nicer place to live.

Rap Makes Strides Music's Ever Changing Scene

A year ago, chances are, no one buying records in Canada had even heard of M.C. Hammer. Today, he has broken numerous records (not the playing kind) for debut sales (now in excess of five million) length of time at the number one spot (17 weeks); and the etceteras go on and on. "Please Hammer Don't Hurt 'Em" has held off the competition for over four consecutive months.

Hottest releases with a chance to knock the Hammer out of the top spot goes to Prince's "Graffiti Bridge", ex-Wham's George Michael for his "Listen Without Prejudice" and really very little else. However, there are a lot of hot products hitting the shelves these days and they run the musical gamut from rap, hip-hop and house to smooth pop and traditional country.

One of the biggest chart surprises is Garth Brooks' "No Fences" which falls into the traditional country genre but has set a

blistering sales pattern that has the release showing up top-40 pop after two weeks. One of the smoothest sets is Breathe's "Peace of Mind" which melds AC with MOR to come up with something that cuts a wide swath thru the demographics.

Heavy metal is even well represented with the Queensryche "Empire" release and Roger Waters' "The Wall - Live In Berlin" will give listeners an opportunity to find out what all the talk about Pink Floyd was about. When 2 Live Crew released their "Nasty As They Wanna Be" it set all kinds of wheels in motion to have the record banned. Their follow-up, "Banned In The U.S.A." has fallen short of the predicted sales figure however, with Luke getting so much press attention you may see 'banned' ending up with platinum sales to match 'nasty'.

Just an example of how the

Smooth-as-silk vocals highlight Breathe's "Peace of Mind". AC & MOR combine with synth-pop for hit offering.

charts are not following any particular pattern can be seen by the hottest single, notably that of ex-Righteous Brothers Bill Medley and Bobby Hatfield's re-vival of their own "Unchained Melody". This blast from the past is currently blasting its way into the top ten.

In the hot new release department (which includes the list of cassettes/CDs that you can't live without) INXS' "X" which includes their latest smash "Suicide Blonde"; Randy Travis' "Heroes & Friends" which sees the current king of country joined by Dolly Parton, Willie Nelson, Merle Haggard, et al; The Judds' "Love Can Build A Bridge" is the best yet from this mother/daughter combo. Hard to believe Kenny & Dolly singing about teen-age angst as they re-vive Mickey & Sylvia's "Love Is Strange". Column space is at a premium, gotta run!

Honours & Awards Committee Write It Up

Merit Boards have finished sitting for another year and the usual comment is heard from those fortunate enough to sit on one: there are a lot of men and women in this organization who contribute well beyond simply doing their job. Many start or strengthen community programs, many get a new sport going at their base, such as the golf course at Winnipeg, and many improve the efficiency and quality of life around the work-place. Normally, the volunteers who get things done are also good at their primary job and are strong influences at work, at home and in the community. The old adage generally rings true that "If you want something done, give the job to a busy person."

Merit Boards see many files of people who contribute so much but are not able to reward them all with promotions. And that's not necessarily a bad thing either. There are other ways to recognize unselfish contributions made by civilian and service members of this Base. Commendations can be awarded at every level of the chain right from the Base, the

Group and Command, even to the level of the CDS Commendation. On the civilian side, there are a number of awards available: the Award of Excellence; Merit Award; Outstanding Achievement Award; and finally the Deputy Minister Commendation.

The ultimate honour or award for Regular and Reserve Force personnel is the Order of Military Merit. A board sits twice yearly to consider submissions and select members to receive the CMM, OMM or MMM. To receive this recognition, two events must take place. First, the member must be recognized for conspicuous merit and exceptional service, clearly only a few will earn such recognition. As important as performing such meritorious service is the critical responsibility which falls upon the member's supervisor. The boss must document the member's performance and write the submission to the board. That's where the problem lies! The Merit Boards know that a number of Service personnel have contributed exceptional service. So where are the nominations!

The Base Commander's Commendation was presented to Captain (Ret'd) George Simmons. Capt Simmons received the award as a result of his work with the drug and alcohol education programme at Winnipeg. His work as Drug and Alcohol Coordinator spanned an unbroken period of more than a decade.

The Base Honours and Awards Committee will provide guidance and assistance in preparing submissions whether it is for Base, Group, Command or NDHQ level awards, military or civilian. Now is the time to get ORMM submissions started as they must be completed at the Base level by November to reach NDHQ in time. If you need help, just contact any one of the following:

BOR News

LCol J.M. Forestall, B Adm O, presenting Pte Niven with her Cpl Hooks upon her accelerated promotion effective 1 Oct 90. (Linda, don't look so happy!)

On the 28th of September an event seldom seen in the BOR occurred. One of our very own administrative experts was accelerated promoted to Cpl. The lucky recipient was none other than Pte (Linda) Niven. Rumor has it Linda wasted no time spending her ten month advance in pay, apparently her car decided it was time to go to the shop. Congratulations Linda!

Other items of interest around the BOR include a long awaited holiday by MCpl (Marg) Allen. Marg will be heading off to the wonderfully sunny (not cold) capital of Honduras. Have a great time Marg and don't forget to pack your flakjacket! As well, MCpl (Laura) Taylor is looking forward to a fun filled JLC in

CFB Summerside. We are not exactly sure how she managed to take her course there instead of everyone's favourite hot spot CFB Penhold. It certainly couldn't have anything to do with her employment as 2IC R & D, could it? Have fun Laura!

Unfortunately this copy has to end as Base Exercises will soon be upon us (we think). But before I run this over to the VOXAIR, there is one peculiarity about our Base Supt Clk that all would-be visitors to the BOR should know. His favourite pastime is watching people's hair grow. It's a rather strange pre-occupation, but one that he avidly enjoys.

Have a good Exercise.

ARG HQ Base Appreciation Day BBQ

Happy Chefs at Air Reserve Group Headquarters

On 6 September 1990 Air Reserve Group Headquarters held a Base Appreciation Day Bar-B-Que. The occasion was conducted to extend the Headquarters appreciation for the excellent support it is receiving from the various base agencies.

The Headquarters is located in Building 52, the old Canex warehouse. The building has a large loading dock attached to it, which makes for an ideal location to hold a Bar-B-Que. Among the invited guests were MGen J.R. Chisholm, recent Deputy Commander, Air Command, accompanied by the Command Chief Warrant Officer, the Base Commander, various branch heads of CFB Winnipeg and the Base Chief Warrant Officer.

73 Comm Group Annual Golf Tournament

The 73 Communication Group annual golf tournament was held at CFB Shilo on the 6-7 September 90. The tournament was designed to establish the team that would represent 73 Comm Gp at the Command Championship to be held at CFB Trenton later on in the month. Additionally, and perhaps foremost, the tournament served to foster increased good relations within 73 Comm Gp between members of the various regular and reserve units extending from Thunder Bay, Ont to Regina, Sask.

The tournament was hosted by 731 Comm Sqn Shilo, under

command of Maj Simon Arcand. The Commander of 73 Comm Gp, LCol Geoff Hodgson, was on hand at the opening ceremonies to "strike" the first ball and rumours are that he played that same ball for two days. (some say it never went far enough to lose). The Group Chief, CWO Shorty Watkins competed head to head with the Commander throughout the tournament and witnesses reported seeing him deep in the woods with a map, compass and "foot wedge" as he tried desperately to gain the upper hand. Apparently good sense prevailed and the Chief succumbed to the

pressure allowing the Commander to win.

Other individual efforts resulted in MCpl Earl Everett of Comm Sqn Shilo winning the longest drive for men and MCpl Kim Partridge of Comm Sqn Winnipeg winning for the ladies. Closest to the pin awards went to Cpl Bruno Rosa of Comm Sqn Winnipeg and WO Denny Williams of Comm Gp HQ. Pte Holly Riene of Res Comm Sqn Regina walked away with the most honest golfer award. The overall champions were Sgt Guy Richer of Comm Sqn Shilo winning low gross and MWO Dave Dunbar winning low net. The 1990 team that went on to represent 73 Comm Gp in Trenton (with limited success, I might add) consisted of Sgt Guy Richer, Sgt Wayne Walker and MCpl Earl Everett of Comm Sqn Shilo, MWO Mario Isabelle and WO Denny Williams of Comm Gp HQ and WO TR McKay from Thunder Bay (HQ Det).

The Comm Sqn Shilo SWO, MWO Herb Elhorn, laid on some great weather for the tournament which only helped to make the event a resounding success. New friendships were kindled and old acquaintances renewed and we look forward to next year's tournament being an even greater success.

The Meaning of the United Way Symbol

During campaign time the United Way symbol is seen everywhere — but what does it mean?

It's called the helping hand symbol, and it is used by United Way organizations all across Canada, the United States, and many other countries around the world.

The rainbow represents the hope for a secure and happy future which comes from the valuable services provided through your gifts.

The person at the centre represents the giver of help — you the donor — as well as the people receiving the services they need from United Way agencies.

And the hand is the hand of help extended by the donors, whose gifts ensure a helping hand to the millions of people who count on United Way services to

make their daily lives easier, productive and more comfortable.

The United Way Helping Hand Symbol — a symbol of hope, of service, and of help to the people of Winnipeg.

CFANS Update

The Officer's Mess was the scene of an unusual gathering on Fri 12 Oct. The CFANS Tacky Tourist Party drew "tourists" from all over the country. We hosted Miami Vice types, nerds with white tape holding their black rim eye glasses together, ladies dressed to kill unsuspecting nav students and even a long-haired hippy freak that looked like he crawled out of some cave on Hornby Island. The party lasted to the wee hours of the morning and a good time was had by all. We eagerly await the announcement of the next such event.

Meanwhile some tourists of our own flew Gonzo to Greenwood, N.S. and then continued to the Naval Air Station in Jackson-

ville, Fla. for an Open House on 13 and 14 Oct. The CT-142, no doubt, was a hit as no other aircraft looks quite like Gonzo. The crew had not returned by press time for this edition. Perhaps their exploits will appear in the next edition if any information is volunteered.

That same weekend the navigation skills of CFANS staff were challenged to find the residence of Capt Tom Walls of CFS. Uncle Tom needed strong young bodies (there aren't any at CFS) to make his Barn Raising and Chili Fest a success. Participants were told to BYOH and can now be identified by their blue thumbs, right Bert! (that's hammer for those who haven't figured it out yet).

Saturday Night Hockey Season opened up on 13 Oct at Vimy Arena. Interested individuals are reminded that this is a fun night, ie. talent is not a prerequisite, and the games begin at 21:50.

Canadian Diabetes Association Annual Appeal Kick Off

On November 1, 1990 the Canadian Diabetes Association will kick off the third annual door to door canvass

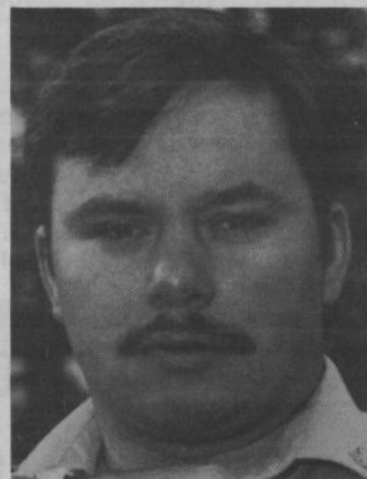

Diabetes affects the body's ability to use energy. It is estimated that more than 600,000 Canadians have diabetes. An additional 600,000 people have the condition and do not know it. Of the people diagnosed with diabetes, almost 20% are insulin de-

pendent. Insulin is a control for diabetes, not a cure. Complications arising from diabetes make it the third leading cause of death among Canadians. People with diabetes are susceptible to blindness (leading cause of new cases), kidney failure (diagnosed 17 times more than in non diabetics), heart disease and stroke (underlying cause of 50% of heart attacks and strokes).

As the search for a cure continues, research and services to people affected by diabetes must be financed. To meet these commitments, the Canadian Diabetes Association depends on a successful annual campaign. We need 1,800 volunteers. We need you to volunteer two hours to canvass your neighbourhood.

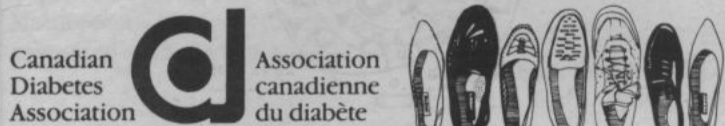

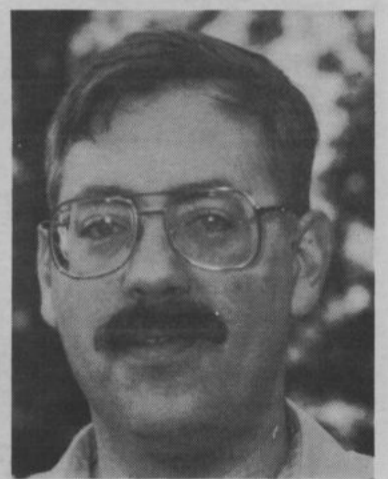

Please help Fill the volunteer shoes.

From the Hangar Doors

The month of July was good to the BAMEO Organization with several technicians being promoted. From left to right with their new ranks: Sgt Wright, MWO Paquet, MCpl Reinguette, Sgt Ries, MCpl Otto and WO Cancilla.

MWO Joe Klein is being presented his new rank by Maj. Davies, BAMEO. Joe worked in ASO as Crew Chief of Crew #2. His promotion earned him a new job as Deputy Training Officer in 402 Sqn where he will help to set up and administer Dash 8 courses.

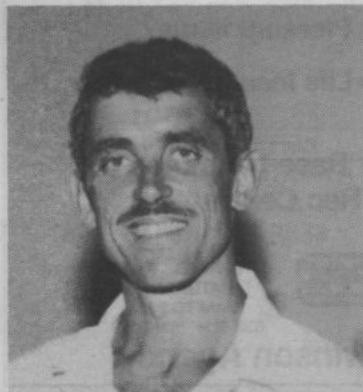

MWO Paquet, Deputy Aircraft Maintenance Support Officer, was presented with his new rank.

Sgt Wright, Senior NCO on #3 Crew in ASO, was recently promoted.

Cpl Aplin-McCorriston was recently presented with her new rank. Christine is an Instrument Electrical Technician on #1 Crew in the Aircraft Servicing Organization.

Congratulations MCpl Appleton on your new rank. Steve works in Workshops in AMSO.

To the sailors and air force personnel aboard:

Athabaskan
Terra Nova
Protecteur

our prayers are with you. May your protecting the peace keep the peace.

We've been doing so many trades within and without BAMEO that we should be in the Sports section of the papers. MWO Paquet walks upstairs to become the Deputy Maintenance Support Officer. Taking his place as Boss of 3 Crew is WO Dostie. Sgt Yves Rivet leaves as foreman of avionic techs in the same crew temporarily as he undertakes his TQ6A and after that his Maintenance Manager's Course (he might get home by Christmas); taking his place is Sgt Mike Owen, lent from 1 Crew.

This is a tricky time of year for BAMEO. Experienced hands are gone, and, while our new arrivals have distant memories of Tutors in Borden, and some have had some experience of Hercules or Dash 8's, it's still a time to exert a lot of patience, to work your way into the comraderie of your workmates (which varies from several guys in Labs to 45 man crews in Servicing)... and to learn a lot, and fast!

Remember, when I say "learn", I'm not just talking about procedures or office equipment.

Pte(T) Gilley was recently promoted. Pte(T) Gilley is an Instrument Electrical technician on #1 Crew.

Congratulations Cpl McCorrison on your recent promotion. Cpl McCorrison is a Communications and Radar Systems technician in the labs in AMSO.

I'm talking about machines with tens of thousands of parts, miles of wires and tubing, and how all of this mess is put together to fly human beings tens of thousands of feet up in the air. Not to mention that with (so far) three very different types of aircraft stationed here, AND with Winnipeg being one of THE servicing points for the CAF, AND with Reservists working with Regulars to a major degree (this is still a mindblower for more than a few Regular arrivees) it can be an awesome time for our new people. To say this is a time requiring "understanding" is quite an understatement.

Hyperbole? Try managing our "blister" during the early weekday morning hours, and you'll see what I mean. Just when you've got everybody below Sgt out there towing those airplanes here, these airplanes there, get those pre-flight checks done in 15, no, 5 minutes... and isn't that Herc snag fixed yet for that morning flight... Then you get the call that a certain Dash 8, just put in Spot A, has to be put in Spot B. Tout-de-suite. Ah well, never gets boring in the wee hours. And now, to our new arrivals. Hello and welcome to M/Cpl Cole, MCpl Piccott, MCpl Nicol, and MCpl Fossen (Baden), to MCpl Pridham, MCpl Corloy and Cpl Brown (Lahr), to Sgt Starks

(Summerside), to Cpl Sideen, Pte Guimond, MCpl Fritsch and Cpl Jones (Moose Jaw), to Cpl Stewart, Cpl Tobin, and Cpl Traub (Trenton), to Sgt Brian, MCpl Scott, and Cpl Sawchuk (Cold Lake), to Cpl Leclair and Cpl Ross (North Bay), to Sgt Dube (St. Jean), to Sgt London, Cpl Rivest and MCpl Romer (Greenwood), to Cpl Rekrut (our first air force arrival from, ready? Esquimalt), to Cpl Charbonneau and Cpl Chartier (Valcartier), to Cpl Spicer (Petawawa), to Sgt Herlick and Cpl Beauchemin (Edmonton), to Cpl Watt (Gagetown), to Cpl Hawkins (Shilo), and Maj Davies. Maj Davies comes from CFCSC in Toronto...

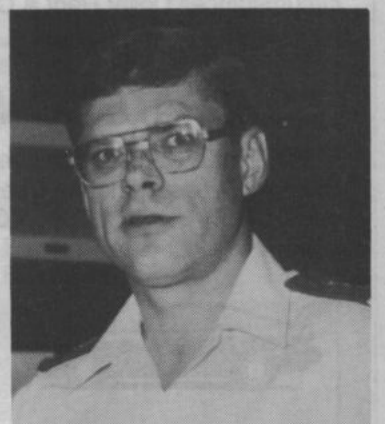

... and is our new BAMEO! Welcome aboard sir! We have two other new officers: welcome, Lt James and Lt Talbot. And how's this for expertise: WO Livingston from CFSATE (where all little techs come from) in Borden. We also are getting people from right here in Winnipeg. Hellos to Cpl Bigos and Cpl Gomes. Last but not least, we have a good number of new technicians from CFSATE. Welcome are: Pte Gervais, Pte Doucet, Pte Fleming, Pte McKie, Pte Culshaw and Pte Anklewich. Ahh, fresh faces for BDF! Whew! Well, it's getting late, and it's time to lock up and secure the doors. Until later,

O.L.Y. Rag

On the Base Commanders Parade, 23 Aug 1990, the three BAMEO personnel shown in the picture from left to right, MWO Stan Schneider, WO Jim Hooley and Sgt Don Ferguson were presented with the second clasp to the Canadian Forces Decoration effective 2 Aug 1990, and represented 96 accumulative years. Most notable of this event is, all three members graduated from the same Basic Training course #5831 at RCAF Stn St Jean P.Q. in the Fall of 1958. Thirty-two years later, after having served separately on a variety of Bases, they received the above award on the same parade and worked in the same section (AMSO) in the same Unit (BAMEO).

Sgt London was presented his new rank. Sgt London arrived in Winnipeg this summer from Greenwood as a Sgt wearing MCpl's rank. The paperwork finally came in and hopefully so did the pay. Sgt London is the Technical Adjutant in the Aircraft Servicing Organization.

Substantial Thanks Military Christian Fellowship

And when I heard and saw, I fell down to worship at the feet of the angel who showed me these things. Rev 22:8b

Have you experienced someone saying "thanks" and have gone away feeling that there wasn't much substance to it? And on some other occasion, have you heard the same word and known that it was deeply meaningful?

You and I both know that what makes the difference is the sincerity of the person expressing that gratitude. In some cases, they are not convinced that the basis for their thanks is meaningful enough — perhaps because the gesture was not gracious on our part. Of course, when the offering which evokes the thanks is of great significance in the eyes

of the recipient, then the takes on a more genuine and expressive nature.

Much of the Scripture reveals what God has, is, and will do for us (Psalms, Rev. etc.). Seek it out with a sincere heart. You will find yourself unable to contain the thanksgiving which wells up in your heart. Your gratitude may bring you to a worshipful level of thanks similar to that of John in the portion above! In this season, let us first offer our thanksgiving to God.

Les Autochtones et Nous

La situation à Oka s'éternise. Les demandes des autochtones nous paraissent parfois extravagantes. Il n'y a aucun doute

que dans une certaine mesure, ils ont des revendications valables. Cependant, enfreindre la loi n'est pas la solution. La loi est pour tous à obéir "Vous aurez une seule et même législation pour les étrangers et pour les Israélites, car je suis le Seigneur votre Dieu" Lev 24:22.

Les autochtones sont souvent traités comme étrangers dans leur propre pays. L'Exode 22:20 dit "Vous ne devez pas maltraiter les étrangers installés chez vous...". Prions donc pour qu'une entente se fasse entre les autochtones et les autorités au plus tôt afin que personne ne soit blessé ou pire, que ce soit du côté des autochtones ou de nos soldats qui ont si bien fait jusqu'à maintenant.

Contributions Recognized

The outstanding contributions of the late Mike Doyle, Chief Estimator at CFB Winnipeg for many years, were recognized by the Air Command Heritage Committee recently at a brief ceremony in the Bishop Building. A framed representation of the Battle of Britain Lace Tapestry, one of Mike's many successful projects, was presented to his wife, Chris, by the Chairman of the Heritage Committee, Colonel Loren Reynolds. Looking on are daughter, Karen Doyle and Captain Don Pearsons, Air Command Heritage Officer.
