COURSE 6202 LR RECEIVE WINGS

The 10 graduates of ANS 6202 Nav shown with their Course Director, F/L J. P. Lussier. Back row from left: F/O C. E. Boyce, F/O L. E. Tegart, F/O J. C. Bryce, F/O M. S. Gludish, F/O W.R. Wright, F/O J. P. Beaulne. Front row: F/O J. G. Coutu, F/O W. G. Kirkland, F/O M. A. Martin, F/O G. A. Ripley.

The traditional color and ceremony of graduation day exercises were performed on May 17th when the ten graduates of ANS Course 6202 Nav. were awarded their Navigators' Wings by Air Commodore M. P. Martyn, CD, Chief of Personnel, Airforce Headquarters, Ottawa.

A/C Martyn is well acquainted with Stn. Winnipeg and environs since he recently completed a two and one half year tour here at Training Command Headquarters. As the Station Commander, G/C D. A. Willis, said in welcoming A/C Martyn to the evening ceremony, "... tonight's Reviewing Officer is no stranger to this Station. He knows what is involved in training students, and is fully cognizant of the challenges that face the Service today ..."

A/C Martyn prefaced his address by expressing keen pleasure at having the opportunity to attend his third Wings Parade. He recalled that on the first occasion he had awarded aircrew wings to a group of graduate navigators at Stn. Penhold—a flying training school for pilots, where normally little is heard of navigators or their training. He expressed, however, the highest regard for navigators and their art—a regard of long standing which he gained in the Second World War during extensive anti-submarine operations over the Atlantic where all crews relied strongly on their navigators for the success of each patrol.

A/C Martyn said that the navigation field had experienced great progress since the days when the sparsely equipped aircraft of World War II carried out their onerous

tasks. In contrast, the field today is characterized by new and complex equipment, concepts and philosophies. He said that we live today in the very exciting age of space, and that those in the navigation field are at the very forefront of this age. A/C Martyn told the graduates that they have the best of qualifications to advance and participate in the progress of this new era, and exhorted the new officers to dedicate themselves to that high task.

There is however, the Reviewing Officer said, a greater role to be continually mindful of—that of each individual's responsibility as an integral part of the State, now and in the future. It is in this role, he told the graduates, that "... each of you can make a great contribution to that future."

A/C Martyn concluded with personal words of congratulation and a wish for every success in the months and years ahead.

NOTICE

The annual Mother and Daughter Banquet will be held in the old drill hall this year on June 4th at 6 p.m. Tickets are available now from the Brownie and Guide leaders at \$100 each. Tickets will not be available after May 30th.

RCAF's Lone Female Warrant Officer

Well Qualified — Eleven years of RCAF service and a natural ability with needle and thread combine to make Warrant Officer (Class 2) Pat Savage of Brandon, Man., well qualified to sew on her badge as the RCAF's first peacetime woman warrant officer. WO2 Savage will be transferred to RCAF Station Winnipeg in early June.

The RCAF has announced that its recently appointed first peacetime female Warrant Officer, Warrant Officer (Class 2) Pat E. Savage, a dental technician, is to be transferred from Trenton to Winnipeg, where she will arrive early in June.

The daughter of Mr. and Mrs. R. McMordie of Brandon, Man., WO2 Savage enlisted in the RCAF at Brandon in October 1951. Because of her previous experience as a dental technician, she was given the rank of corporal on enlistment. Following her basic service training at St. Jean, PQ, she served in Quebec until May 1952 when she was transferred to RCAF Station Bagotville.

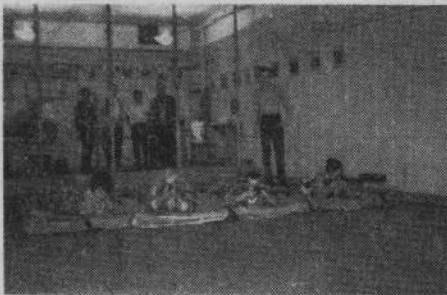

In April 1954, Pat was posted to England to take a course for dental hygienists. She was one of two airwomen selected for this special training.

Returning to Canada in December of that year as a sergeant, Pat served at RCAF Station Rockcliffe Ont, where she married Corporal M. Savage in March 1956.

Later in 1956, she was transferred back to St. Jean where she received her promotion to Flight Sergeant. WO2 Savage was transferred to Station Trenton in September 1961, and received notice that she was to be the Air Force's first female Warrant Officer in peacetime in March of this year.

WO2 Savage will be coming back to her home province in June, and will be employed at the dental clinic at RCAF Station Winnipeg.

Junior Rifle Club Wind-Up

Shooting in the parent-members shoot: Rick Mitchell, F/L Mitchell, Judy Mitchell, Mrs. Mitchell, Barry Moyles the instructor in the rear.

W/C Scott, CO 402 (Aux.) Squadron presenting Pamela Bayliss with the 402 (Aux.) Squadron Proficiency Trophy.

Mr. C. Bate, vice chairman of the Manitoba Junior Rifle Club Committee presenting Sheldon Heppner with the Dominion Marksmans Silver Shield. G/C Willis looking on.

G/C Willis presents April Ashbury with a Junior Rifle Safety Program Certificate. F/L D. Moyles, chairman of the Stn. Winnipeg Junior Rifle Club.

EDITORIAL CORNER

The New Culture

At 13 a boy or girl becomes a member of a new culture—a teenager. Fifty years ago most youths 14 and over had entered the labour market and had considerable adult status. Today most are at school—where, to adults, they are still children but nonetheless expected to "act their age" (i.e., like adults).

The teen-age culture is essentially the culture of a leisure class. It is a product of affluence. It is possible because our society today can afford a large leisure class of youngsters not in the labour force but yet consumers on a vast scale. The existence of this great leisure class with so much buying power at its disposal, has had profound repercussions on the relationships between teen-agers and the adult world. Adolescents spend their money primarily on clothes, cosmetics, sports, and recreational equipment such as records, cars, and travel.

It is possible that the whole phenomenon of teen-age culture may be moving down, so far as age is concerned. Teen-age culture may come to refer to those in the 10-18 age bracket rather than to those in their teens.

In the following paragraph this "Open Letter To a Teen-ager" was distributed by the local chief of police.

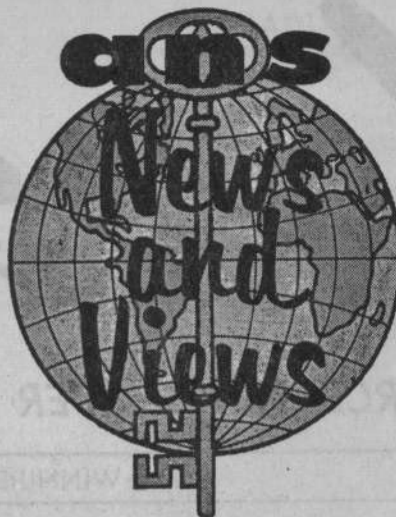

"Always we hear the plaintive cry of the teen-ager: 'What can we do? Where can we go?' The answer is . . . Go home.

"—Hang the storm windows, paint the woodwork, rake the leaves, mow the lawn, shovel the walk, wash the car, learn to cook, scrub the floor, repair the sink, build a boat, get a job. Help the minister, priest, or rabbi, the Red Cross, the Salvation Army. Visit the sick, assist the poor, study your lessons. And then when you are through—and not tired—read a book.

"Your parents do not owe you recreation. Neither does your community owe you recreation or its facilities. The world does not owe you a living. You owe the world something. You owe it your time and energy and your talent so that no one will be at war or in poverty, or sick, or lonely.

"In plain words, and we must speak plainly; Grow up; quit acting like a cry-baby; leave that dream world . . . start acting like a man or lady."

—From Community Activities

By F/O G. LEBOEUF

Welcome to ANS

We are happy to welcome F/L F. G. Stewart from 405 Sqn, F/O J. I. Gray from 415 Sqn., F/L D. H. Lewis and F/O J. C. Caron from 402 Sqn., F/O L. Legear from 442 Sqn. and F/L J. M. Leyes from 411 Sqn., all will be enjoying themselves for the summer in the Nav/Air Section.

Friday Night and Saturday Morning

Parents, wives or girl friends were proud, graduation class 6202 Nav. seemed happy and instructors looked exhausted but pleased. The graduation parade was impressive and the voice of the commentator agreeable. The welcome of the newly graduated in the Officers' Mess was warm, and the dance in the Aircrew Trainees' Mess was certainly lively and the food excellent. Everyone enjoyed themselves, graduates, friends, CD's and even the CSA ended the evening pleasantly at the Viscount.

Nonetheless someone like Steve Stankus decided early Saturday morning that he was going to Vancouver. His main concern was to obtain a week-end pass and in all his wisdom he knew where to knock.

Elect/Air

ANS welcomes Sgt. McCartney to the Morse Section. Sgt. McCartney comes to us from TSE Clinton and he will become NCO i/c Morse Training replacing Sgt. Bowman who will retire shortly.

The personnel shortage was relieved when LAC Ripley returned from a month's leave at Deer Lodge Hospital. Good to see you back "Rip."

ANS Entertainment

The ANS Entertainment Committee was formed to arrange entertainment and sports for staff mem-

bers with a view of getting to know each other better. The committee members are listed hereunder:

- F/L W. H. Fell (364) Chairman
F/L M. R. Hunter (527)
F/L R. B. Wicks (390)
F/O N. R. Lee (377)

For the month of June they have planned a farewell party on Friday the 7th in the Officers' Mess for four members of the staff and a Dinner Dance also in the Officers Mess on Sat. the 15th.

By MICHAEL J. KOSTER

The best meeting to date of the Astra Numismatic Society took place on Tuesday, the 14th of May with a very satisfactory turn-out. It was good to see four newcomers attending for the first time, namely F/Sgt. Al Burge, Sgt. J. R. Gilchrist, F/C V. Quirion and Mr. E. Hadley.

Vice-president LAC Mel Schwanky read out a very nice letter we received recently from the Western Numismatic Association welcoming us into their fold. This letter was written by Hazel Elmore, FRNS, who is their Honorary Secretary. Hazel mentioned that more details are forthcoming on this year's Annual Coinerama which will be held the first week in August at the Royal Alexandra Hotel.

During our previous general meeting Hazel gave us a very interesting story on the 1936 issue of the Alberta "Prosperity Certificates." Several thousand of these were made by the Alberta Government and today they are indeed collectors' items.

Gerry Baux must have smelled the coffee because he walked in with his associate from the St. James Coin Mart, Mr. Ernie Hadley, just as we were pouring the coffee. Gerry unloaded his many coins for sale occupying the top of two tables. Our members present had a field day and were purchasing coins at bargain prices.

ROMAN CATHOLIC CHAPEL NEWS

Rev. F. A. Halle (W/C), Training Command Chaplain (RC).

Rev. J. A. Fredrickson (S/L), Senior Station Chaplain (RC).

Rev. J. Y. Cormier (F/L), Station Chaplain (RC). VE 2-1311, Local 272.

MASSES

Sunday — 9 and 11 a.m.
Weekdays — 4.30 and 5.05 p.m.
Saturday — 11 a.m. and 4.30 p.m.

CONFESSIONS

Monday-Friday — Before every Mass.

Saturday—1900-2000 hours.

Sunday — Before and during both Masses.

Other times—by appointment.

NOTE: If there is no priest in the Confessional, ring "Confession Bell." Parents are asked to remind their children to come to Confession after school on Friday afternoon, that is, from 1600 to 1630 hours.

NURSERY SERVICE

During 1100 hours Mass young children of parents who attend this Mass, will be cared for by nursery service in the Chaplains' quarters.

BAPTISM

Usually on Sunday afternoon. If this is inconvenient another day of the week may be chosen. Telephone the Chaplains' secretary during working hours to arrange the date and the hour. This will make it possible for the papers and certificates to be filled in beforehand.

MARRIAGE

Contact the Chaplain or his secretary at least one month beforehand if both parties are Catholics. In the case of a prospective mixed marriage, notice should be given at least two months in advance in order to give time for the couple to follow the instructions required by Church Law.

On Thursday, 16 May, a Canada Conference was held in Our Lady of The Airways Chapel. The conference, organized by the Catholic Family Movement, was conducted by Reverend Father John Provost of Holy Rosary Parish. Father Provost, gave a very interesting and enlightening talk on the holy sacrament of marriage. Then, after a refreshment break, the speaker conducted a question and answer period. There was a good turnout of over twenty couples for the conference.

SCRIPTURE READING

for every day of the week.

Friday—24 May: II St. Peter 1,1-15.

Friday—31 May: Third Epistle of St. John 1-14.

Saturday—1 June: Epistle of St. Jude 1-13.

FATHER FREDRICKSON'S FARWELL RECEPTION

Father Fredrickson, after three years at Station Winnipeg, will be leaving in a few days to take up his new duties at RCAF Station Rockcliffe. Next Thursday, 30th May, at 8.00 p.m., there will be a reception in the Airwomen's Lounge, (Bldg. 6), to say goodbye to Father Fredrickson. All parishioners, married or single, are cordially invited to attend.

A buffet supper has been arranged by the RC Chapel Committee and the Catholic Women's League, and a short entertainment has been prepared by Messrs. Jack O'Leary and Fred Blundell.

In addition to saying goodbye to Father Fredrickson, on this occasion, we will also welcome our new Senior Station Chaplain, Father G. E. Grant.

COIN CORNER

(Continued from page 2)

mostly King George V small Canadian cents, nickels, dimes, etc.

An enjoyable two hours were had by all commenting on the very good attendance. We are looking forward to seeing more newcomers at our next general meeting to be held on Tuesday, the 28th of May 1963. May I remind you that all your relatives over twelve years of age are very welcome at our meetings. Please try to attend as we do need your continued support mainly to fill the GIS theatre meeting room. We hope to see all of you on the 28th.

LITTLE LEAGUE BASEBALL

After an unavoidable earlier postponement, a second general meeting of the PMQ Little League Baseball is now scheduled for 1330 hrs. on Wednesday, 29 May, at the Rec. Centre.

All personnel anxious to aid this group as coaches, managers, umpires, etc., are urged to attend as it is vital that the youngsters have adult help.

STRAIGHT TALK

"If you want my honest opinion," the lawyer started out. "No, no," interrupted the client, "I want your professional advice."

PROTESTANT CHAPEL NEWS

1900 hours—Senior Teens.

THURSDAY, 30th May

2000 hours—Senior Choir Practice.

HOLY COMMUNION (Anglican)

The 0830 Hours Holy Communion Service is cancelled this Sunday, 26 May, as Padre DeLong will be conducting services at RCAF Stn. Winisk. The next service of Holy Communion will take place 1200 hours 2 June.

SOUTH WINDOW

At the May meeting of the Chapel Committee it was unanimously agreed to accept the Westmacott Stained Glass Studio design and price for the installation of cathedral glass in the south window of the Chapel over the main entrance. The design incorporates a rich burgundy cross in the centre of the window and a surround of alternating panes of blue and amber to create a "ray effect." The cost of this window will be met largely from the balance remaining in the Carillon Fund, although any wishing to make contributions to this project may do so through either of the Padres. It is hoped that the new window will be dedicated on Sunday, 16th June at the 1100 hours service, which is the planned date for the June Family Service followed by an outdoor family picnic on the Chapel grounds.

WELCOME

We welcome to our Chapel staff and our Chapel family for the summer months, Flight Cadet Ed Scarlett who has just successfully completed his first year of theology at St. Andrew's College, Saskatoon. This is Ed's third summer in the Air Force as a Chaplain under training. Last year he was with Padre Cox at Station Greenwood. We know its going to be a big summer for Ed, especially as he is cloud nineing at the moment in preparation for his marriage in early June in Saskatchewan. We welcome him to our Air Force community and hope he will have a rich and rewarding summer with us.

SUNDAY SCHOOL TEACHER'S MEETING

The last meeting this season of the Sunday School Staff will take place in the Chapel Annex 0800 hours Monday, 27th May.

THE WHIST AND BRIDGE NITE

The Chapel Guild wish to thank all those who came to the Whist and Bridge on 13 May, those who brought pies, and all those who, in any way, made the evening a happy and successful one.

Junior Rifle Club Wind-Up

The twenty-five yard range in the Stn. Recreation Centre resounded to the crack of rifles, gasps of admiration and sighs of disappointment as the Junior Rifle Club played host to their parents on 11 May '63 at their annual Parent/Members' Shoot.

This shoot is where the parent and shooter team up to compete for a copper tray presented annually by the club. After the smoke had cleared and the targets were scored, Pam Bayliss and her father topped the field with a score of 200-12x out of a possible 200-20x. Bob Askew fired a beautiful 100-9x target to take the American Jewelers Individual Marksman's Trophy.

The mothers who turned out to shoot with their children deserve a big bouquet. Some of these ladies had never fired a rifle before. That is the kind of parent support that makes youth activities a success.

After the shoot the group assembled in the Westwin Restaurant for a delicious turkey dinner.

After dinner G/C Willis, CO Stn. Winnipeg, presented certificates to the members that had successfully passed the Knowledge, Safety and Marksmanship tests incorporated in the Junior Rifle Safety Program of the Manitoba Federation of Game and Fish Association. He complimented the members on their progress and explained how the lessons learned and the experience gained in the Safety Program would serve the member in future life.

Mr. Clive Bates, Vice Chairman of the Junior Rifle Club Committee of the Manitoba Federation of Game and Fish Association, spoke to the members pointing out to them that one of the finest things in life was the act of taking advantage of an opportunity to pass on to others any skills or knowledge that you may possess. He hoped that the members and their parents would keep this point in mind when the club reopens next year and instructors are required. He then presented trophies to 1963 Manitoba Junior Rifle Postal Champions. This team consisted of Sheldon Heppner, Richard Erdman, Terry Fleet, Phil Martin, Fred Munn and Greg Sinclair and they were competing against nineteen clubs throughout the province. Sheldon was also the recipient of the Individual High Average Trophy for the Postal Shoot.

Silver spoons were presented to the other club members that had competed in the Postal Shoot, by WO1 Picton, who has been assisting the club as a range officer.

The ambition of all shooters is to shoot a perfect target (100-10x), and six of these were shot this year. Sheldon Heppner fired three, one of them from the sitting position.

Richard Erdman fired two and Greg Sinclair one. A silver spoon was presented for each of these targets.

F/L Moyles, chairman of the club, outlined the training program that was followed during the winter's training.

He emphasized that although shooters were encouraged to shoot good scores, the prime objective of the club was to develop sportsmen that would have a sense of responsibility and fair play. He thanked the parents for their fine turnout and then presented the trophies to the winners of the day's shoot.

Pam Bayliss and her father received the engraved copper tray for first place and Fred Munn and his father received a cup for second place. Bob Askew received the cup presented for the high individual score.

402 (Aux.) Squadron has donated a trophy to be presented annually to the club member that has shown the most progress in marksmanship, sportsmanship, range behaviour and attendance. A copper tray is given to the winner of this trophy. All members are eligible to compete for this trophy.

A cup is presented annually to the lady member that makes the most progress in shooting.

Pam Bayless was judged the lady that had made the best progress in shooting and took away the ladies' cup, presented by W/C Scott, CO of 402 (Aux.) Squadron.

The wonderful record that Pam had set in qualifying for the bronze, silver, and gold pins, sitting and kneeling crests and partial qualification for a standing crest under the rules of Dominion Markman Competition was accomplished in her first year of shooting. Her conduct, attendance and attention to lecture has been of the highest standard.

Terry Fleet and Bob Askew were runners-up for the 402 (Aux.) Squadron Trophy and each received engraved cups.

Clive Bate presented Sheldon Heppner with the Dominion Markman's Silver Shield. To qualify for this trophy Sheldon had to complete 20 prone targets of 100, 20 sitting or kneeling targets of 98 or better and 20 standing targets of 95 or better.

The trophies won and the records set are evidence that the Junior Rifle Club has had a very good year and can look forward to even greater successes next year.

Meet The Grads — Course 6202

F/O G. A. RIPLEY

F/O Ripley was born at Perth Road, Ontario, near Kingston, in 1941. He attended Sydenham High School where he completed his grade 13 before joining the Air Force in December 1961. After completing survival training, COS in Centralia, and the navigation course at Winnipeg, F/O Ripley is proceeding to Search and Rescue in Trenton.

F/O M. A. MARTIN

Michel Andre Martin was born on the 14th of January 1944 in Montreal, Quebec. He was educated in that metropole and had his Senior Matriculation at St. Henri College, Montreal. F/O Martin joined the RCAF in late Sept. '61. After graduation Andre is proceeding to 4 OTU Transport Squadron at Trenton, Ontario.

F/O W. R. WRIGHT

Wendell Russell Wright was born 24 Nov. 1941 in Port Arthur, Ontario. Pre-school days were spent in Sudbury, Ont. and Northwestern Ontario communities. Russ began public school at Graham, Ontario and finished at State River, Ontario, on the outskirts of Fort William. He received his Junior Matriculation at Fort William Vocational Trade Institute as a motor mechanic; he then obtained his Senior Matriculation at Fort William Collegiate Institute. Upon graduation Russ joined the RCAF on 6 Oct. '61 at Centralia, Ontario. After ANS he is reporting to 4 OTU Trenton in June '63.

F/O L. E. TEGART

Larry Tegart was born in Kelvington, Sask., on 25 Nov. '43. His pre-school days were spent in and around Kelvington. He attended grade school in various parts of Saskatchewan and high school in Southey, Sask., where he graduated in the summer of 1960. Larry attended the University of Sask. at Regina in 1960-61 and worked at various jobs afterwards until joining the Air Force in March of 1962. Following his graduation from ANS Larry will be going to 4(T) OTU at Trenton to start course on 3 June '63.

F/O J. C. BRYCE

F/O Jack Bryce was born in Saskatoon, Sask., in 1940. He received his public school in B.C., Saskatchewan and Alberta. He entered the University of Alberta in 1959 and joined the ROTP program in 1960; and in 1962 graduated with a Bachelor of Science in Mathematics. F/O Bryce completed his navigation training at RCAF Station Winnipeg and is now proceeding to 436 Transport Squadron in Downsview.

F/O M. S. GLUDISH

F/O Gludish was born on 23 July '42 in Toronto, near the sunny shores of Lake Ontario. He was educated at Grand Avenue Public School and the Royal York Collegiate Institute. He entered COS at Centralia in December '61. He has completed his Winter Bush and

Arctic Survival course in the rugged north country, and his navigation training at ANS. F/O Gludish will now be proceeding to 111KU for contact training.

F/O W. G. KIRKLAND

F/O Kirkland is a native of Burlington, Ont. He attended Burlington District High School and graduated in 1957. In 1954 he joined the Auxiliary Air Force as a fitter. In 1957 he transferred to the ROTP. He graduated from the University of Toronto with a Bachelor of Science degree in Mechanical Engineering. While at university, he trained as a pilot, getting as far as the T-33 before being re-selected for Navigation Training. At University he was very active in the U. of T. Flying Club, holding the presidency for three years.

F/O Kirkland married in May of 1961 and the family now boasts one male income tax deduction.

F/O J. P. BEAULNE

F/O Beaulne was born in Timmins, Ontario, the 24th of August, 1942. He then roamed the Northern Ontario timberland until he finally graduated with his Junior Matriculation from the Academie Notre-Dame de l'Assomption in North Bay. He then lost not time in leaving home and proceeding to CMR where he signed up on September 8th 1960. From there he proceeded to Centralia in the summer of '61 and finally to Winnipeg in the fall, where after a couple of medical setbacks, he finally completed the Applied LR course. He is now proceeding to 435 Transport Squadron in Namao.

F/O G. COUTU

F/O Coutu was born in 1940 St. Felix de Valois in the Province of Quebec. Before joining the RCAF he obtained his grade 12 and then graduated from the "Institut de Papeterie de la Province de Quebec" located in Trois-Rivieres. F/O Coutu joined the RCAF in Sept. 1961, attended Language School and afterwards proceeded to COS Centralia. He arrived at ANS Winnipeg a year ago and has now successfully completed navigation training. Upon leaving ANS he is going to Downsview on Contact Training before arriving at OTU.

F/O C. E. BOYCE

F/O Calvin Earle Boyce, the son of Mr. and Mrs. A. E. Boyce, was born in Kootenay Lake General Hospital, Nelson, B.C., on 21 May 1942. Most of his life was spent in Nelson, the queen city of the Kootenays, where he attended Central Primary School, Nelson Junior High School and graduated from L. V. Roger's High School in 1960. He was active in all community sports although skiing, golf and track were his favourites; and still holds the school record for the mile run. He obtained his senior matriculation the following year and then joined the Air Force on 14 Dec. 1961. After graduation F/O Boyce will be going to 435 (T) Squadron in Namao for Contact Training.

CORPORAL'S CLUB

By PAT MUNROE

This is just a farewell note to our good friend Karky. This writer along with his many other ardent fans will certainly miss his interesting and newsy reports. Karky is not leaving Stn. Winnipeg, but is resigning from this reporting job after having seen to its preparation "above and beyond the call" for a considerable period of time.

Let's see—we can't forget the Corporals' Club "Early Bird" Golf Tournament. This ever successful annual event was held on the third of May and unfortunately, the tail end of the winter whipped back

to remind us of how good a Spring we had been having. Temperature at the first tee was 29 above. Nevertheless, forty staunch hearts turned out to participate. The low gross winner was "Andy" Anderson, followed closely by Marc Gagnon. On the whole everyone who took part was a winner as all convened to the 19th hole held at the club. Congratulations to all.

Fastball season is here and our Club team, last year's Manitoba champs, are on their winning way. After an extensive training camp indoors and out, stretching back into April, the team met Roddell (last year's Northern Champs) in its first organized game. Pitcher Tony Woitte had a 2-hitter and a shutout in leading his teammates to a 7-0 seven-inning victory. A schedule will appear in this column as soon as one is available.

Remember TGIF nite tonight and Sunday's movie, "The Big Show."

I overheard a few of the more experienced golfers at the 19th hole, discussing this interesting problem: It seems that Smith's

ball went into the woods, and Jones gave him a hand looking for it. After a few minutes, Jones emerged, lined up his ball and with a seven iron lobbed it to the edge of the green, 45 feet from the pin. Just then Smith's voice was heard and a ball came flying out of the bush, coming to rest 2 feet from the cup. Problem—What do you do if you are Jones, and you have Smith's original ball in your pocket?—So long for this week.

SOCCER

The Winnipeg Senior Soccer League opened on Thursday, 16 May, with the RCAF team playing the Silpit Flyers. The Air Force team had little trouble running up a six to nil count.

Tommy Reid was the big gun for the Air Force team as he scored three goals and set up two more from his centre forward position. Other goal scorers were Jock McDonald, Dave Hamel and newcomer Stieny Laugen.

. . . 30c per dozen.

CHILLS MORE CONVENIENTLY

Chills more conveniently because of its compact shape. You'll find it easier to chill.

FLAVOR PROTECTION

Research has proven amber glass provides maximum flavor protection.

THE BREWERS OF MANITOBA

SAR STATISTICS 1962

BY F/L G. M. GRANT

In 1962 there were 2871 search and rescue incidents in Canada requiring 8222 flying hours. The total cost was approximately 5½ million dollars which is about 1/10th of the total RCAF budget. Although life saving is never equated in dollars and cents, 97 lives were saved for this amount.

The majority of the search incidents were concluded in the early stages by communications checks, but in 1962 there were eleven major searches involving 500 to 1600 hours each. There were two unsuccessful searches last year and this year there has been one.

The Western Search Area, with 111 KU as its operational arm, had 743 SAR operations which is 26% of the Canadian total and flew 3783 hours for 46% of the total flying hours flown on SAR operations in 1962, 111KU was credited with saving 37 lives in 1962.

HAIL AND FARWELL

111 KU says "au revoir" to F/L Frank J. Stevens, with regret. The "Silver Fox" was with the unit for two years, having come from 121 KU Vancouver via El Arish. Happily Frank is going to his favourite place—Vancouver again. This time he will be part of the new SAR School.

F/O "Rick" Partridge, himself a newcomer to 111 KU, has a stranger in his home, Stephen David, 9 lbs. 2 oz.

F/L's Jack Glazner, Ross Wood, Joe Menton and Bob McLarnon returned from the Searchmasters' course in Vancouver and are eager to don their deerstalker hats and Inverness capes. F/O Gary Stratton left in a hurry to get an early suntan at El Arish. He is on a three month posting.

RCAF SEARCH AND RESCUE GRADS

May 10 was graduation day for 24 Air Force officers at RCAF Station Vancouver, Air Force Headquarters has announced.

The officers graduated as fully-qualified searchmasters after a week of intensive training at the newly-formed Search and Rescue School here. Drawn from rescue co-ordination centres, sub-centres and other RCAF stations across Canada, the graduates will now return to their units fully able to organize and conduct searches whenever aircraft or marine incidents occur.

Through lectures, films and on-the-job training which ended with a simulated search for a missing aircraft, the students covered all phases of search and rescue in Canada. The course, which graduated May 10 was the first at the new SAR School. An Albatross pilot training course is currently being held here, with para-rescue and ground search courses scheduled to follow in the near future.

The school operates under the direction of the Commanding Officer of RCAF Station Vancouver, Wing Commander T. J. MacKinnon, with the Officer Commanding the Search and Rescue Flight, Squadron Leader C. C. Cooling, of Craig, Sask. in direct charge. He is assisted by Flight Lieutenant D. Hill of White Rock, B.C. and Flight Lieutenant George Dowsett of Vancouver.

Servicing West

By DICK GINTER

WO Waraway should be back by the time this is issued. We are naturally looking forward to hear about all his experiences, on and off duty.

We have great faith in him and are certain that he will have increased the T.A. membership considerably.

We must admit to some apprehension however, as to his reaction when he first sees that La Louvre has been moved.

Astronaut Cooper's 22 orbit flight is a terrific boost to our ego. It is frightening though to think what could have happened. We have it on good authority (our usual source) that the launching was delayed until the 15 May because Cal Shermerhorn didn't have the rotor installed on his antenna until then.

F/O Hamel is being closely watched by fellow members of the SMU. Recent actions indicate that he may be making a wrong move in the not too distant future.

BREWING INDUSTRY

Manitoba's brewing industry each year contributes some \$7.2 million into the provincial economy—over and above licence fees and taxes at various levels.

Largest single expenditure is the more than \$4 million for the salaries and wages of some 800 employees of the seven companies operating in the province. In addition to this amount about \$500,000 for employee security benefits.

More than \$1.5 million is spent each year for materials and supplies to produce beer including premium rate malting barley from Western farmers; and operating, maintenance and repair expenditures for plants average nearly \$290,000 annually.

While the breweries operate their own truck and car fleets, making further contributions to government and business through gasoline, oil and repair purchases and taxes on these spendings, they also spend some \$900,000 throughout the province each year for freight and cartage charges—most of the payments going to private companies.

Each Brewery plays its role as a responsible member of the community, supporting local enterprises where possible and operating efficient businesses which form part of a successful economy.

Reference to the role of Manitoba Breweries is contained in the recently published report of the Committee on Manitoba's Economic Future, which states: "Breweries in Canada, including Manitoba, are as efficient as any in the world."

"Since the mid-forties they have been engaged in a steady expansion and modernization of facilities, production and marketing techniques.

"Competition is keen and there is a continuing effort to reduce operating costs."

CCSP NEW MEMBERSHIP DRIVE

A new drive for membership in the Community Charities Support Plan for RCAF personnel in the Winnipeg area has been planned for early June.

Present membership in the Plan incorporates about half of the strength of the units taking part, varying from around 60% to about 35% in various rank levels. The CSP Committee feel that this is an excellent beginning considering that the scheme has been in operation for only about six months. Comparisons with similar plans on some other RCAF stations, however, indicate that a much higher percentage of participation can be expected reasonably.

Contributions by personnel who are members of the Plan have been very generous, and the CCSP staff feel that members have a right to be proud of the contributions made to date. In this first six months of operation the CCSP has contributed over \$5000 to charities in the Winnipeg area and it is anticipated that an even larger amount will be donated in the next six-month period.

Gratifying as this is, it is noted that these contributions are being made by only one-half the personnel eligible for membership.

Efforts have been made to determine the reasons why many do not wish to join the Plan. To date no "common denominator" reason can be found. The Committee is still soliciting opinions and is hopeful of establishing basic causes so the Plan can be adapted to meet the requirements of the majority. One of the objectives of the Plan was to achieve sufficient representation so that multitudinous charitable canvasses at Winnipeg RCAF installations could be avoided, thus reducing the bother to individuals and saving the RCAF the hundreds or thousands of man-hours required to conduct such canvasses. For the most part this objective has been attained.

Numerous charities have requested permission to conduct such canvasses and will continue to do so in the future. The Committee believes it can only continue to refuse consent for these canvasses if it can demonstrate that little is to be gained by the charities from them because most personnel are already contributing to the CCSP. This is not the case at the moment.

It is emphasized that this method of donation is strongly favoured by the charities themselves. For one thing it is possible for the CCSP, on the basis of its enrolment, to predict with reasonable accuracy the amount of money which will be forthcoming. This in turn allows the charities to plan on a sounder basis than they can if they are entirely dependent on awaiting returns from canvasses.

Many individuals wish to make donations to individual charities. It is realized by the charities themselves, however, that they actually net more in dollars from group plans and, therefore, these charities support the joining of group plans by their donors. Much a

The ceremony took place in Ottawa recently during the annual meeting of the National Council, Boy Scouts of Canada.

NOTICE

COMMUNITY CHARITIES SUPPORT PLAN — WHAT IS IT?

The CCSP is a voluntary payroll deduction plan initiated to support community charities in the Greater Winnipeg area. There were many reasons behind its inauguration, the basic ones being:

- (a) Small monthly payroll deductions of 50 cents and up are relatively painless to the individual but in total make a substantial contribution.
- (b) Contributors are given a CCSP membership card which is accepted by charity canvassers as evidence that the member is doing his share.

(c) By enrolling personnel on the station and at TCHQ, it has been possible to do away with the multitude of canvasses previously made on the station for charities.

(d) Equitable distribution of funds is made to charities in proportion to their Winnipeg campaign objectives.

(e) The plan is operated by an all-ranks committee which supervises disbursements on a strictly non-denominational basis.

(f) It is a method of charitable giving which is strongly favoured by the charities themselves and is operated by nearly every large business organization in the area.

PUBLIC NOTICE

Tobacco Restraint Act. Cap. 226, R.S.C. 1952

The use by any person under the age of 16 years of cigarettes, cigars or tobacco in any form is prohibited. The sale of cigarettes, tobacco or cigarette papers to any person under the age of 16 years whether for his own use or not is prohibited. Any person under the age of 16 years, is liable on conviction to a fine if he smokes on the street or public place or purchases or has any in his possession whether for his own use or not any cigarettes or cigarette papers or tobacco in any form whether or not for his own use. DATED at St. James this 1st Day of April, A.D. 1963.

A. J. REID,
City Clerk.

IN FUTURE . . .

Because of the above notice tobacco products will not be sold from NPF outlets on this unit, to minors, unless they produce a written request, signed and dated, from one of their parents, authorizing such purchase.

AND NEWS

Congratulations to the following personnel who have recently been awarded St. John's First Aid to the Injured certificates by the Priory of Canada of The Most Venerable Order of the Hospital of St. John of Jerusalem: F/L A. I. Plumtree, LAC A. Summers, and from Stn. Armstrong—Sgt. A. Ablett, Cpl. J. R. Babineau, LAC J. N. Routhier.

Congratulations to FS L. Muir on his recent promotion from Sgt. Welcome to Cpl. & Mrs. A. Haddon from St. Jean, P.Q. Congratulations to LAC and Mrs. H. J. Bridges on the recent addition to family allowances, plus PMQ points. Condolences to F/L B. L. Meindl who is really up to scratch with the after effects of playing with poison ivy, sumac, oak, etc.

CADET HONOURED FOR BRAVERY

OTTAWA—Air Force Headquarters recently announced the award of the Cadet Award for Bravery to Corporal (now Sergeant) William J. Vincent, of Cornerbrook, Nfld., a member of 511 (Humber) Squadron, Royal Canadian Air Cadets. Cadet Vincent jumped from a bridge into the Tickle River to rescue 17-year-old Ruby Tulk from drowning last September 2.

In announcing the award, Air Vice Marshal C. L. Annis, acting on behalf of the Chief of the Air Staff, praised Sgt. Vincent's selfless courage in going to the girl's aid, and his determination and perseverance in carrying the rescue to a successful conclusion in the face of considerable danger to his own life.

The insignia of the Award, a silver medal with a red and blue ribbon, is to be presented to Sgt. Vincent by the Air Officer Commanding, Maritime Air Command.

IT'S LATER THAN YOU THINK

Everything is farther than it used to be. It's twice as far from my house to the station as it used to be, and they've added a hill that I've just noticed. The buses leave sooner, too, but I've given up running for them because they go faster than they used to.

Seems to me they are making staircases steeper than in the old days. The risers are higher and there are more of them; it's harder to make two at a time. It's all one can do to make one step at a time.

Have you noticed the small print they are using today? Newspapers are getting farther and farther away—when I hold them up I have to squint to make out the news. Now it's ridiculous to suggest that a person my age needs glasses, but it's the only way to find out what's going on without someone reading aloud to me, and that isn't much help because everyone seems to speak in such a low voice that I can scarcely hear them.

Times sure are changing. The barber doesn't hold the mirror behind me when he is finished so I can see the back of my head. The material in my clothes, I notice, shrinks in certain places, like around my waist; shoe laces are so short they are next to impossible to reach.

Even the weather is changing. It's getting colder in winter, and the summers are hotter than in the good old days. Snow is much heavier when I try to shovel it and rain is so much wetter that I have to wear rubbers; I guess the way they build windows now makes drafts more severe.

People are changing, too. For one thing they are younger than they used to be when I was their age. On the other hand, people my age are so much older than I am. I realize that my own generation is approaching middle age (to me that is roughly between 20 and 100), but there is no reason for my classmates to be tottering blissfully into senility.

I ran into my college roommate the other night and he had changed

KADET KORNER

BY BODEN

There is little doubt that '02 Nav. left us in a blaze of glory. The mess kept up a swinging pace until the small hours of the morning, at which time the Grad party and a few guests moved on to a certain well known hotel. Many interesting occurrences were brought to our attention but perhaps it will suffice to say, "Shame on you Zeke, that was a heck of a stunt to pull on your favourite F/O."

There may be certain of you who question the quality of the air shows put on by the RCAF. If you wish to clear up this question it would take only a short discussion with any of the cadets who went south of the border on Saturday.

For variety in schedule the band dance this week is to be held Friday evening. Music will be supplied by the same group that put forth the rhythm for the Grad Dance. With any luck at all there will be a lunch available to sustain one's energy. If a very good crowd is in attendance the hours may very likely be extended past the usual twelve o'clock.

TEEN BEAT

The inter-church dance held on May 11 was not as successful as our previous dances. We wish to express our appreciation and thanks to Mr. and Mrs. Lord, Mrs. O'Keefe, and Padre Ross, who did such a good job of chaperoning. Silver Heights United Church will sponsor the next dance to be held on June 15. More will be said about this at a later time.

The May 12 meeting saw a turnout of about 20 kids. Since there was no program, a general discussion was held. Also we celebrated the Syretts' nineteenth wedding anniversary. Mrs. Syrett was unable to attend the meeting, so Mr. Syrett brought a friend along to share the cake. However Mrs. Syrett will be able to enjoy the flowers sent to her on the 13th of May.

On May 24 and 25 the boys from Australia, who are on a world tour, will be in the company of the Senior Teens. We will be going swimming on the 24th at seven o'clock. Then at nine o'clock we will have a closed dance in building 24, with only the Senior Teens, the Australians, and anyone who has been a member of the Senior Teens in attendance. On Saturday we will tour the station. We urge as many of our girls as possible to come out on these days.

MEMBERSHIP DRIVE

(Continued from page 6)

they appreciate the individual donation, they agree that in the final analysis, they profit more from organizations like the CCSP.

The rapid spread of group donations plans throughout the country, their enthusiastic endorsement by charitable organizations and the bald fact that group donations to charity far exceed the amounts realized by charities from other methods are persuasive reasons for wanting success for the CCSP.

IT'S LATER THAN YOU THINK

(Continued from page 7)

so much that he didn't recognize me. "You've put on a little weight, Bob," I said. "It's this modern food," Bob replied. "It seems to be more fattening."

I got to thinking about poor Bob this morning when I was shaving. Stopping a moment, I looked at

my own reflection in the mirror. They don't even use the same kind of glass any more.
