FIRE PREVENTION WEEK

The Commanding Officer, G/C Willis looks on as WO2 Sagriff presents FS Ducarme with the Chief's Trophy.

The week of Sunday, 6 Oct. '63 has been designated "Fire Prevention Week" across Canada. Fire losses in Canada have risen enormously in the past ten years, and the toll continues to rise. Humanitarian and economic considerations imperatively demand that fire prevention measures be undertaken to prevent this waste and tragic loss of life.

As members of a Fighting Service it behooves each of us to protect our equipment and buildings to the limit of our ability. Our Fire Fighters can put out the fire, and provide guidance in good housekeeping. But as in any form of control, good Fire Prevention measures cannot be "inspected" into a programme. Only we can keep a daily watch on fire hazards, as we go about our duties.

In keeping with good Fire Prevention practices, a competition has been started by WO2 Sagriff, the Fire Chief. Each three months a winner is selected, and the Fire Chief's trophy presented, to the section judged to have maintained the best Fire Prevention standards.

On Commanding Officer's Parade last Friday, the first winners were presented with the Brass Nozzle, by WO2 Sagriff, pictured here handing the trophy to FS Ducarme of Station Workshops.

Voxair congratulates the winners. To the others we say: Let us look at our own buildings, offices, and sections in the coming months. A fire check on a monthly or a weekly basis may prevent fires but it won't win the trophy. Fires start, not by the clock, but at the kindling point.

Pearkes Trophy To Be Held At Station Winnipeg

The Pearkes Trophy, donated by the former National Defence Minister, Major General George Pearkes, VC, now Lieutenant-Governor of British Columbia, comes up for competition as the emblem of soccer supremacy in the armed forces on October 8th, 9th and 10th.

Soccer, considered a top conditioner for Canadian troops by National Defence Physical Education and Recreational authorities, has been expanded to become an official tri-service sport with the Navy, Army and Air Force competing on a national basis. This year's competition being held at Stn. Winnipeg, with two soccer fields being readied for battle.

Eight Zones — The competition has been divided into eight zones across Canada. Games are played in accordance with Canadian Football Association Rules. This will be the third year the games are held on a national competition basis. The Eight Zones are British Columbia, Alberta, Manitoba and Saskatchewan, Western Ontario, Eastern Ontario, Quebec the Atlantic Provinces less Halifax area and Halifax Dartmouth NS.

Team Entries To Date — Zone 1, 1 PPCLI Army, Victoria; Zone 2, RCAF Penhold; Zone 3, Stn. Winnipeg RCAF; Zone 4, Centralia RCAF; Zone 5, Camp Petawawa Army; Zone 6, St. Hubert RCAF; Zone 7, not confirmed, and Zone 8, Stadacona, Halifax (RCN).

Previous Winners

- 1958—RCAF St. Jean.
- 1959—RCAF St. Jean.
- 1960—RCAF Uplands.
- 1961—RCAF Greenwood (Note: this was first game on national basis. Previously held in Ottawa area only.)
- 1962—2 PPCLI Army Edmonton.

Scheduled Games—Four daily—two at 1030 hrs., two at 1430 hrs. on 8th and 9th Oct.

- 10th Oct.—
- 1030 hrs.—Final consolation.
- 1430 hrs.—Championship final.
- 1600 hrs.—Presentation of Pearkes Trophy on field.

Approximately 150 representative players, dignitaries and officials will be accommodated at Stn. Winnipeg for the three days. Let's give Station Winnipeg a real boost, by turning out to support the team of your choice.

WHAT Do you know about SOCCER?

With the coming of the Pearkes Trophy, I thought it only relative to take a short look at the National game of many countries, mostly European and South American. The game actually originated in England, that is as the present scope of soccer is known, and spread throughout the entire world in a relatively short span of time. Some 250 million people are estimated playing the game, and many millions more are active fans. The game is governed by an International federation with over 100 countries affiliated. The same federation organizes the World Cup Tournament competed for every four years, the World Cup being the World Series, Davis Cup and Olympics rolled into one. The world record for attendance at a single game is the match between Uruguay and Brazil with 200,000; England's record is in 1937, 149,547.

Rules—are amongst the simplest in sports.

Skills—are of a high level if to be played well, yet on the other hand can be used at any level of learning as a keen sport. Timing, speed, and a great deal of endurance are prerequisites to becoming a good soccer player.

Equipment—is limited to sweater, shorts, and boots, plus a short type of shin pad. There are places in the world that play soccer bare footed. Local schools usually utilize the expense of buying a ball, and the game can be played without any of the mentioned equipment. Running shoes are adequate, for kicking the ball.

Soccer Pitch—can be anything between 50 and 100 yds. wide and 100 to 130 yds. long. It must have a set of goal posts at each end. The goals measure 8 ft. high and 24 ft. wide with a net attached.

General Soccer is increasing in popularity in Canada, and it is generally anticipated the game will become one of Canada's more popular sports. Reasons are numerous. Two of the more defined are its inexpensiveness for equipment and with the population rate increasing, with more and more Europeans, the effects are bound to increase the love for soccer, as soccer is no doubt a European number one sport.

Signal For Your Own Good

Modern automobiles are equipped with devices by which a driver may signal his turns. But signals are useless unless they are properly operated. It does no good for a motorist to switch on his car's turn signal after he has started to turn, claims the Canadian Highway Safety Council.

Another peril occurs when the motorist fails to turn off the signal. A driver waiting for a gap in passing traffic to permit him to enter an intersection sees a car approaching from his left, signalling a right-hand turn.

A motorist who stubbornly declines to accommodate other drivers by letting them know his intentions can place himself in great danger. Signalling every moment well in advance is a protection to the motorist.

The Council has issued an urgent plea to every driver to make the most of his vehicle's signalling equipment—for his own good.

Letter to the Editor

WHY "FIRE PREVENTION WEEK"?

It is proclaimed by the President of the United States of America and the Governor-General of Canada that a full week each year be set aside to commemorate the tragic fire in Chicago on 9 Oct. 1871.

It first started as "FIRE PREVENTION DAY" and was inaugurated and first observed throughout the United States on 9 Oct. 1911. In Oct. 1922 a full week containing the day Oct. 9 was officially proclaimed "FIRE PREVENTION WEEK."

WHY THE NEED FOR FIRE PREVENTION?

Each year over 500 Canadians die needlessly in fire, and more than twice that many are severely burned or disfigured for life.

PEARKES TROPHY

(Continued from page 1)

HOW WILL WINNIPEG PAN OUT IN PEARKES

Past Record

First of all, let's take a look at the team's past record. Last year Stn. Winnipeg journeyed to HMCS Naden for the 1962 Pearkes Trophy. They were defeated in the semi-finals by 2 PPCLI Edmonton, last year's champs. This year's team comprises nearly the same team, except for a few additions that have actually strengthened the team in playing and positional power.

Present Record

So far, the Station team has played 35 games. They have won 16, tied 8 and lost 9. They won over Portage 5 to 1 for the right to enter the Pearkes Trophy championships. Portage had previously defeated CJATC Rivers 4 to 2.

Pearkes Trophy

Of course, to predict is going out on the limb, with Zone playdowns not fully confirmed, and this year's finals will see a different crop of teams. But from the coach's view-

Young children and old people are fire's principal victims.

Thus the intention of "FIRE PREVENTION WEEK" is to make everyone more aware of the dangers and the consequence of fire and to further instruct persons how to prevent them.

Cpl. D. O. F.

point, we have a fairly well advanced team, the fellows are playing much stronger than last year and so with any bit of luck, or they say, if Station Winnipeg gets the breaks, they will surely let the Pearkes Championships know they were competing.

By MICHAEL J. KOSTER

Now that the autumn season here, we are becoming coin-conscious again. Therefore, the general meeting of the Astronomical Society will be held Tuesday, the 29th of October.

It will be an inaugural meeting to call all the members and staff personnel together because the meeting will be an important one. Three officers are necessary and must be elected by the people in attendance.

You are urged to bring spare coins for the purpose of changing, etc. As usual, the meeting will be held in the theater room 219, of the Air Navigation School at 2000 hours. Please remember the date which is Tuesday the 29th of October. The three officers required are President-Secretary-Treasurer and a Recording Secretary.

HOGGING THE ROCK

F/O RON POWELL

The stage is set for the opening of the 1963-64 curling season. On Monday the Novelty Bonspiel gets underway, as the Commanding Officer, G/C Willis, will toss the first stone to signify commencement of the proceedings, I hope your team is entered, and wish you the best of luck (but not too much of it, as I've reserved some for myself).

There is nothing new to report, as very little activity has taken place on the curling front the past week. Entries are trickling into the various leagues, although not at the pace desired. As mentioned last week, the curling rink underwent a face lifting this past season, so we'll be presenting the "new look" for 1964. How unnerving this will be to the oldtimers who have become accustomed to the old color scheme is difficult to tell. I'm told, however, the new colors "grow" on you.

As mentioned above, very little has taken place to report on so we will reiterate what has been mentioned in the past two articles. For those who may not have seen the articles, or missed the DROs we repeat the following:

REGULAR LEAGUE — Entries are to be in the hands of SGT. McDOWELL, local 596, SGT. BERKEL, 409, or CPL. McPHERSON, local 254, prior to 1700 hrs., 15th October. Action in the Regular League will commence immediately following the Novelty Bonspiel, which should be the 21st of October. Three draws a night, four nights a week are planned. Entry fee—\$10.00 per person, plus the \$6.00 club membership.

MIXED LEAGUE—WO1 TAYLOR, local 424, and SGT. GLENN, local 493, will receive entries until 100 hrs., TUESDAY, 15th October. However, a ceiling of 40 teams has been established, to be selected on a first come—first served basis. So as you can see, haste is of a necessity when entering the Mixed League. Five draws every Sunday are planned. Entry fee—\$3.00 per person.

JUNIOR LEAGUE—Forms are available at the Recreation Centre between 1200-1300 hrs. and 1600-1800 hrs. daily. Tomorrow will be the last day the forms will be available. These forms are to be completed and forwarded to SGT. LANGDON—MDPR 111A, or SGT. HEVENSON—MDPR 101H, prior to next Wednesday. Your organizational meeting will be next Saturday, 12 Oct. at 9 a.m. in the station theatre. Fortunately, there will be another reminder next week, in case some forget. Entry fee—\$3.00 per person.

INTERSECTION LEAGUE—Your representatives, F/L HAMMILL, local 401, and CPL. MERRILL, 486, are still awaiting more intersection entries. Deadline for entries is next Friday, the 11th. Organize the teams and let the representatives know how many teams your section will be able to supply.

LADIES' LEAGUE—As this article was written prior to the meeting held Tuesday, there is nothing new on the distaff side of things.

However, we should have more for you next week.

MESSES AND SECTIONS—Has your Sports Representative planned your annual bonspiel? This may seem premature, but last season many had difficulty obtaining ice when it was desired, due to the overload of demand. Now is the time to submit your request for reservations, as next week or next month may be too late. Your drawmaster, F/L McCORMACK, local 609, will reserve the ice on a first come—first serve basis ONLY.

Our Poet Laureate, Ken Stephenson, submits the following:

"CURLING ROCK'S LAMENT"
*I'm not much to look at,
Haven't even got a name,
Though I'm called awful things,
Still I don't complain.*

*I wish that I could speak
The way I'm spoken to,
There are things I'd like to say,
And all of them are true.*

*Not once throughout my lifetime
Have I ever heard it said
That I deserve some credit,
You take it all instead.*

*But every time your luck is bad,
I always get the blame,
I'm kicked into a corner,
And looked upon with shame.*

*For once you could be honest,
And just say what we both know,
How can I be the one at fault?
When it's you that makes me go.*

*So in closing I will offer
A few words of advice,
Try aiming, when you throw me
Down that sheet of ice.*

COMMUNITY COUNCIL ELECTIONS

1963-1964 SEASON

The Community Council elections were held on Mon.-Tue., 23 and 24 Sept. '63. The returns for the election of ward councillors have been counted and the results follow.

Appointed as Mayor by the Commanding Officer was S/L D. J. Lewis, OC 111KU.

Councillors as Elected

- Ward 1—F/L J. G. Brown.
- Ward 2—Sgt. R. A. MacLean.
- Ward 3—Cpl. M. D. Smith.
- Ward 4—Sgt. W. H. Cranston.
- Ward 5—Cpd. P. W. Martel.
- Ward 6—Cpl. W. Magura.
- Ward 7—Cpl. D. Schelleberg.
- Ward 8—FS A. C. Pettigrew.
- Ward 9—Sgt. P. G. Supeene.
- Ward 10—WO1 O. Carnahan.
- Ward 11—F/L R. J. Lamont.
- Ward 12—F/L A. E. Sturgess.

The elections were considered to be very successful and well administered. In cases of a close count, recounts were made to ensure accuracy of the result. It is estimated that a 90% return was accomplished and spoiled ballots to be insignificant.

The outgoing council wish to thank residents of their various wards for their co-operation over the past year thus making the required tasks run much easier.

STATION LIBRARY

Recreation Centre
(Bldg. 90—Rm. 25)

HOURS OF OPERATION

Monday to Friday—
1200 hrs. - 1730 hrs.
1800 hrs. - 2100 hrs.
Sunday—
1400 hrs. - 1730 hrs.

Stn. Library would like to say "thank you" for donation of books to the following: Mrs. K. Booth, Mr. Bob Campbell, Mrs. Morton, Mrs. Middleton.

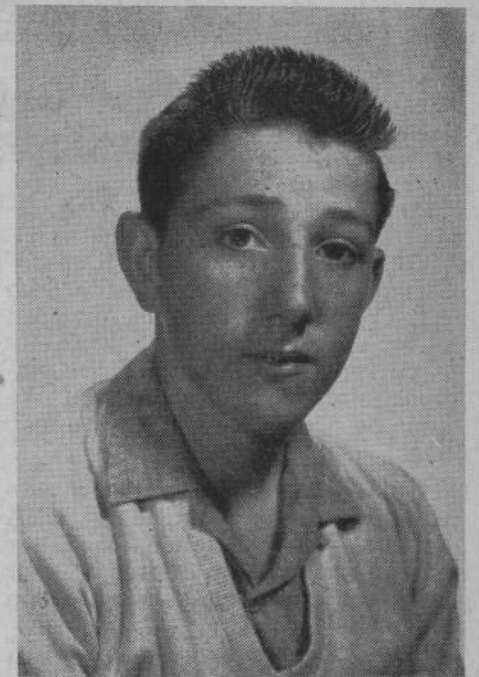

NEW BOOKS

We have a new selection of French books for adults and children.

My Name Is Morgan—Wm. Woolfolk. A novel about the movie industry. A man of action and the legend he created.

Power—Howard Fast. Story of a man's lust for greatness.

Junior Shooting Champ

Phil Martin

After some three weeks of fairly intensive practice and training, twelve members of the Station Junior Rifle Club went to the Provincial meet at Miami last Saturday and returned with some hardware.

The annual meet is growing each year and the competition getting keener. This time there were forty-seven teams entered from all over Manitoba, the biggest shoot to date. Officials, coaches and shooters made up a total attendance of slightly over 500.

(Continued on page 4)

MICHAEL J. KOSTER

the autumn season are becoming coin-coin. Therefore, the next meeting of the Astra Society will be held on the 29th of October, 1963. It is an inaugural meeting for the members and station together because this will be an important one. Members are necessary and selected by the people.

SERVICING WEST

By DICK GINTER

An old friend, F/L "Connie" Strom, Course Director of the Tech AE Course at Centralia, dropped in for a short while last week. He is currently on a tour of the stations surveying ex-students. We hope he drops in again on the way back.

Cpl. Al Lamb has left for a two-week course at Lynn, Mass., USA on the General Electric J85, Tutor engine and will be taking a Tutor maintenance course at Montreal in November.

A CL 41 R was in Winnipeg last week and most people got a pretty close look at it. Some were even briefed quite thoroughly at a meeting in the ANS Bldg. Why this group included some of the Station cleaners, I'll probably never know.

Sgt. Randall of Exp Serv has been hospitalized for the past few weeks. We've been expecting him back every day and therefore didn't even mention the fact. He was up on his feet last Thursday for the first time and should be well on his way to recovery by now. Sgt. Klemas of Trans/Serv

is looking after his crew till he gets back.

The Inter-Command Aeronautical Engineering Team visited the section last week and made quite an impression. It seems a very logical and sensible system to improve communication between stations and CHQ.

The team included several old friends: F/L McGinnie, whom you will remember as POL Safety lecturer of last year; WO1 Carnahan, ex-Camp Borden; FS McLean and Sgt. McArter, ex-Stn. Wpg., and Sgt. Bud Langdon, formerly of Gimli and Camp Borden.

W/C McVeigh, S/L New and WO1 Hodgson were the other members who ventured onto the "floor" to both learn and teach.

How do all the Irish manage to swing a deal like this? Or hadn't you noticed the coincidence?

FS Wally Brawley is this year's co-ordinator for the Community Chest for Serv/West. So if you want to "give 'till it hurts" see Flight Brawley.

Congratulations are in order for Trans/Serv. They received a letter from W/C D. E. Biden, CO of RCAF Stn. Kamloops, complimenting them on high calibre and efficient service given in a courteous and professional manner.

This type of service is the average from Trans/Serv; a fact well known by personnel receiving it, but how many of Stn. Wpg's own knew that their "Front Door" was so competently represented?

A well done, richly deserved!

The hunting season is in full swing here in Ser/West. So if you're planning a visit up here, beware of swinging swatters.

Compliments to Bill Baxter on a very good piece in last issue of Voxair, especially the up to the minute data. Very well done!

There's a move coming up for Cpl. Jack Florence shortly. 11 Hgr. will miss him, that's sure, but Transient needs him.

"HOW FIT" COMPETITION WINNERS

S/L Bacon, Mayor of PMQ Council, presented trophies to Junior Bowling winners and "HOWFIT" Competition winners.

4 Awards to local dependents of cross Canada Howfit Contest

The Dependent "HOWFIT" Competition was inaugurated in May of this year. As a first effort, the results could be termed satisfactory, compared to the number of participants in the basketball and bowling competitions. We congratulate the four winners from Winnipeg, and hope they will endeavor to continue their efforts in fitness training.

Junior Bowling Awards

The Station PMQ Council supported a new era in St. Bowling last spring with the formation of Junior Bowling. The league was a success, and most probably is an excellent beginning for Junior Bowling on the Station. Awards were presented to league winners last Thursday afternoon by S/L Bacon, PMQ Mayor.

HOWFIT

Winners were Linda Lindskog, Leigh McKenzie, Rick Archibald and Robert Boucher.

Bowling

A Division winners—Bob Askew, Bill Fleenor, Jim Nichols, Dave Siford, Lorne Samain and Rick Walker not present. Pinfall of 2937. B Division winners — Rosanne

Lorenz, Joan Klaponski, W. McCarville; not present were Lorne Samain and Mary Goulet and E. Smith. Pinfall, 2887.

High Triple—Lorne Samain
High Single—Lorne Samain
High Average—Perry Whitehead, 186.

The not present winners have been transferred to other units.

JUNIOR BOWLING NOTICE

There will be a meeting of dependents wishing to bowl in the Junior League, on Sat., 5 Oct. at 1 p.m. in the bowling alleys. This will be an organizational meeting to set up the league for the coming season. It is hoped to operate on the same basis as the Senior Junior League.

SHOOTING CHAMP

(Continued from page 3)

We entered two teams, a Marksman group composed of one club veteran and five outstanding beginners and a Beginners' team of all new shooters. Members of the Marksman team were Pam Middleton, Garry Pennington, John Fuller, David Pettigrew, Phil Martin and Bob Askew.

The Marksmen took third place in their division with a very fine exam and shooting score of 995—37x out of a possible 1000—50x. They were edged out of second place by Flin Flon who scored a 996—27x. The Miami team took top spot with a near perfect 1000—34x, the highest ever recorded in the nine-year history of the event.

7 Oct. at 8 p.m. in Chapel rooms—a work meeting. All ladies invited to attend and bring their knitting, sewing, etc. As the regular meeting would fall on Thanksgiving Monday, it is postponed one week, to Monday, 21 Oct., at 8 p.m.

MANNERS IN CHURCH:

"Be thankful, be silent, be reverent, For this is the House of God. Before the Service, speak to the Lord: During the Service, let God speak to you: After the Service, speak to one another."

IF THE DOORBELL RINGS

In the forthcoming charity drive members of the RCAF will be contributing either through the payroll scheme or directly to their section canvasser.

It may be that the block-canvassers will call at your home as well, possibly unknowingly, or in a renewed effort to reach the quota.

We in the Airforce have no need to be ashamed of our station effort, but if a canvasser calls at your home explain to him that you are contributing through the Air-

force channels. I'm sure he will understand. And if you have an extra Quarter on the kitchen table, perhaps you could add it to the cause. There are lots of kitchen tables in Winnipeg that are bare.

CORPORAL'S CLUB

BILL BAXTER

If last week end was an indication of things to come it appears we're in for a gala winter. Our first dance of the year although not too financial a success went off nicely and all who attended seemed to enjoy themselves. Our compliments go out to Moe Davis and his able assistants who decorated the lounge for the dance. They did such a good job that no one wants to take them down.

Sunday's entertainment started early when our old friend Joe Gannon dropped in on the afternoon and rendered a few selections on the piano. In the evening of course we had our Sunday night movie and when the lights went up we were quite pleased to find in our midst Misters Jaques Plante, Camille Henry and Marcel Pelletier of the New York Rangers. Jaques was telling us that he still can't recognize himself in that strange sweater and freely admits he'll probably see a lot of rubber this year but with Harvey and Plante splitting saves I'd keep an eye on Rangers this year. Back to Sunday night an already entertaining day and evening was topped off when Doc Jorne of the Paddock went to the mike and put on a half-hour show that had everyone gasping for air from laughing. So to all that came out to the mess this week end I'm glad you enjoyed yourselves. Those who stayed home, I'm sorry you missed it, and I extend your committee's invitation to drop in at the mess and see what's doing.

Don't forget the Bingo Sat. night, \$95.00 in fifty-nine numbers. See you all there.

SHOOTING CHAMP

(Continued from page 4) competition, became the new Manitoba individual champion. He shot a 100-9x target and scored 100 on his written examination. In a tie-breaking shoot-off that had his coaches nibbling their nails he calmly broke the tie and emerged in top spot with 100-8x. The Club is proud of Phil's effort as are his

parents, Cpl. and Mrs. A. A. Martin of MDPR 111A. Phil owns a new 22 calibre rifle as evidence of his achievement.

Our Beginners' team members were Barry Woods, Allan Middleton, Lloyd Froment, Wayne O'Keefe, David Pawlak and Ron Lewis. While not as fortunate as our Marksman they made a very creditable showing with a fifth place score of 950-17x.

Through a score posting misunderstanding Bob Askew was not acknowledged as the Beginner champ although he had the top score in that division while shooting as a Marksman. The error was recognized and Bob will be receiving a suitable award.

All of our shooters did well in the Safety Corral and demonstrated a sound knowledge of gun handling and hunting safety. Every member had a try at trap shooting and, strangely enough, the best scores were among the smallest shooters.

Much of the success the Club enjoyed is the result of the tireless and unselfish work of Clive Bate, our chief instructor. His continued interest and the desire on the part of the members to learn made a winning combination.

The shoot is sponsored by the Manitoba Federation of Game and Fish Associations as part of their Junior Hunter safety programme. Their principal aim is to foster, among our growing hunters, Safety, Sportsmanship and Shooting ability.

C-119 FLYING BOXCAR

In RCAF service since 1952, the C-119 Flying Boxcar, a twin-engine freighter and troop carrier built by Fairchild, has largely superseded the Dakota as the acknowledged workhorse of the RCAF.

Flown by both 435 and 436 Squadrons of Air Transport Command, this twin-engine heavy-weight can haul a 10,000-pound payload 1,000 miles non-stop. Its loads may consist of 62 fully-equipped paratroopers, 35 stretcher cases and four attendants, or the equivalent weight of cargo. The aircraft is equipped with rear-opening, clam-shell doors which permit fast, efficient handling of lengthy, bulky loads.

Flying Boxcars provided emergency support for the United Nations forces during the Suez crisis of 1956-57 and for many years handled the annual resupply of Arctic weather stations, involving the para-dropping of nearly 2 1/2 million pounds of freight. They are now engaged mainly in routine domestic airlifts and in providing air transport support to the Canadian Army.
