WINNIPEG, MANITOBA

May 31, 1963

## TOUR STATION WINNIPEG

Brig. Gen. Neil D. Van Sickle shares a joke with the Air Officer Commanding, Training Command, AVM H. M. Carscallen on his arrival at Stevenson Field, on Tuesday morning.

The commander of the 3535th Navigator Training Wing at Mather AFB California, Brigadier General Neil D. Van Sickle, visited the RCAF Station at Winnipeg on 21 May 1963.

Brig. Gen. Van Sickle was met as he stepped from his Convair T29 by the Air Officer Commanding Training Command, AVM H. M. Carscallen, DFC, CD, and the Commanding Officer of RCAF Station Winnipeg, G/C D. A. Willis, DFC, CD.

The arrival time of the visiting party was 9:00 AM, and after inspecting a guard of honour drawn up in his honour, the Brigadier General toured the station before beginning his two days of consultation with the Officers Commanding the Air Navigation School and the Central Navigation School based at Winnipeg.

## BELGIAN CAS VISITS STATION

AYM H. M. Carscallen, DFC, CD, AOC Training Command, welcoming Major General A. Henry, CAS, Belgian Air Force, on the occasion of his recent visit to TCHQ and Stn Winnipeg.

## YOUNG AUSTRALIANS VISIT BASE

The members of the Young Australia League Inc. world tour during their visit to RCAF Winnipeg on Saturday. Chief Bagley, Fire Chief of the St. James Fire Department and W/C W. B. M. Millar CD, Chief Administrative Officer, Stn Winnipeg are also pictured.

The tour of the boys of the Young Australian League Inc. to Winnipeg is over and our youthful visitors are now continuing their world tour eastwards across the United States. In a whirlwind series of visits of which a tour like this is composed, only the highlights will stand out, so if Winnipeg is remembered in years to come by our visitors it will be from the things they enjoyed most, the things which were new and exciting to them, or even those things which provided a welcome contrast.

They arrived in Winnipeg from Banff and Calgary on Friday afternoon, and then toured the city, and it was not until 7:00 PM that they

arrived at Station Winnipeg and were able to enjoy what must have

(Continued on page 4)

## DANISH OFFICERS AT RCAF WINNIPEG

A light note starts a two-day visit to Winnipeg by Major General P. Zigler (right) Chief of Staff to the Commander-in-Chief, Royal Danish Air Force. The General was accompanied here by Lt. Col. P. Thorsen (left) Danish Air Attache, Washington; and four other RDAF officers. The party was greeted on arrival by Air Vice Marshal H. M. Carscallen, Air Officer Commanding Training Command; and Group Captain D. A. Willis, Commanding Officer RCAF Stn Winnipeg.

Six officers of the Royal Danish Air Force were weekend visitors to RCAF Training Command Headquarters here.

The Danish officers, headed by Major General P. Zigler, Chief of Staff of the Commander-in-Chief, RDAF, arrived here Saturday for

discussions of air training matters, and to study current methods of operation and training with RCAF Training Command.

Their visit here followed similar stops at RCAF Stns. Centralia and Portage la Prairie in Ontario and

EDITORIAL CORNER

Water Safety Week

Next week has been set aside as Water Safety Week, and various organizations throughout Canada will sit down and take stock of what has been accomplished in the way of water safety during the past year, and what can be added to an already busy program for the coming year.

The RCAF is one organization that has "Water Safety" laid down in official policy, and stock taking of its accomplishments in water safety training is a rewarding task indeed.

The RCAF program is a composite of two programs; that of the Canadian Red Cross, and the Royal Life Saving Society. The relationship between these two societies and the RCAF is one of co-operation and mutual benefit to all parties. The two societies have been most generous with their assistance to the RCAF's program since its inception in 1959. They have a high regard for the knowledge and ability of RCAF personnel involved in the program's operation and for that reason have, after careful selection and training, appointed fourteen RCAF personnel to the exclusive status of Water Safety Supervisor. Those appointed as such are qualified to train instructors and give the examinations. There are, however, many volunteers who devote many hours of their off-duty time and effort to supervise over pool activities.

There are 53 indoor and outdoor pools at RCAF establishments, and these are often the scene of competitions involving clubs and schools from neighbouring communities. These pool activities are worthy indeed, for at one RCAF station last year, every person over the age of four could swim.

To embark on such an active program, many instructors and supervisors are required. At last report 237 RCAF personnel have qualified as Water Safety Instructors. In addition to service personnel, 70 dependents had qualified to instruct in the program. The total number of air force personnel and dependents who qualified at various proficiency levels is reported to be 8,167.

You could do well by taking part in the activities at the pool. By mastering the art of swimming, under the capable supervision provided, you are ensuring Physical Fitness while at the same time meeting the challenge of Water Safety. Why not give it a "Go."

Chaplains Speak Out On Charity

COMMUNITY CHARITIES SUPPORT PLAN - IT'S NO SKIN OFF MY NOSE!

One half of the world's three billion population is found in three countries—Africa, China and India. In these countries hunger, poverty and disease are the triple-threat for the majority of their peoples. Human life is dirt-cheap, so cheap, that people die on the streets and lie there unnoticed and uncared for — human garbage. China demonstrated in the Korean venture her callous disregard for human life as she poured into many engagements wave after wave of her soldiers who trampled bloody-footed over their comrades in search of victory.

Some forecast in this atomic age that China is the country to fear, for she would have no compunction in squandering two hundred million or more of her people in an atomic adventure. You and I don't see it this way at all. Our western, democratic, Christian culture holds that every last man, woman, and child is a significant and worthwhile being in his own right—worthy of equal opportunity, not only to be born and to die, but to live.

Every time we throw our weight behind any community venture that supports and enhances the dignity and worth of our fellows, we are only being true to our own culture and its avowed goals. More, we confer worth by our support, not only on our neighbours and on life itself, but on ourselves. We do this when our dollars support agencies in our community like the Crippled Children, Sally Ann and the agencies of the Red Feather Fund which are dedicated in our name to meeting our neighbour's need and to the preservation of human dignity.

Fifty cents a month to our Station Community Charities Support Plan is one way, and a pretty good buy at that, to keep life and people off the garbage dump. And remember, it could be the skin off your nose, after all.

Signed:

P. D. ROSS, S/L Chaplain (P)

COMMUNITY CHARITIES SUPPORT PLAN - RIGHTEOUS OR SELF-RIGHTEOUS?

Occasionally we meet people who proclaim that they never give to "organized" charity, they prefer to give their money to needy people directly.

Some may be sincere in making this statement, for others it is merely an excuse. These latter are usually disconcerted and embarrassed when they are asked, "When did you last give more than a dime or a quarter to someone in distress?" or, "What part of your income last year did you give directly to the poor?"

Those who feel they are "above" giving to organized charity, are first cousins to the people who never attend any church, and who object to organized religion. They prefer to worship God in the great outdoors. These too are at a loss for words if they are asked "When did you last really worship God in his great outdoors?" or, "How often do you worship God in this way?"

It's really amazing how ordinary decent individuals will try to justify their neglect of God and their fellowman by making excuses or explanations which "fool" neither God nor their neighbour. The only ones they succeed in deceiving are their own poor self-righteous selves.

Have you ever heard of the tremendous amount of good which is done by the RCAF Benevolent Fund? Let's be logical and consistent. If all "organizations" which help people in need are worthless why not "scrap" the Benevolent Fund? Why not? Because there are very few private individuals who are in the position or who are willing to help an airman who is or three thousand dollars in debt through very little fault of his own. "Would those who prefer to give privately and directly please signify their willingness by a show of hands?!!!"

In our modern society we need these "organizations" which help people in distress. May those who are opposed to them never be in a position where they have to swallow their pride and self-righteousness and call for help to one of those "organizations" to which they are so much opposed.

Signed:

J. A. FREDRICKSON, S/L Chaplain (RC)

## Chapel News

### PROTESTANT CHAPEL NEWS

SUNDAY, 2nd June

0930 hours—Junior Church—  
Chapel.  
—Primary—Rec. Hall.  
1100 hours—Kindergarten—Rec.  
Hall.  
—Nursery—Chapel Annex.  
—Intermediates—Chapel.  
—Divine Service—Chapel.  
1200 hours—Holy Communion—  
Anglican.

### WHITSUNDAY

Next Sunday, 2nd June, is Whit-  
sunday which commemorates for  
all Christians that first day of Pen-  
tecost in an upper room in Jerusa-  
lem long ago when the church and  
its first members came alive, to  
be and to do. The story in Acts  
tells of the Holy Spirit coming  
upon this group of men with power  
so that they became powerful men.  
This is ever the story of Pente-  
cost—the story of God without be-  
coming God within—and men com-  
ing alive. It is still the exciting  
fact of life—the Pentecosts of our  
time—seen in men like Schweitzer  
and Dooley—seen in the alcoholic  
who finds sobriety—seen in us  
when God is God within.

### CHAPEL GUILD

The June meeting of the Guild  
will be held in the Chapel Annex,  
Monday, 10th June. The evening's  
activity will begin with the tradi-  
tional, tasty, potluck supper. Mem-  
bers and friends are reminded to  
serve this date for a fine evening  
of fun and good fellowship.

### SENTENCE SERMON

The man who is wrapped up in  
himself makes a mighty small  
package.

### CHURCH SCHOOL

The last regular session of the  
Church School this season will  
take place on Sunday, 9 June. Cer-  
tificates of attendance will be pre-  
sented to students on that day.

A Family Service will take place  
at 1100 hours on Sunday, 16 June,  
in the Chapel. Families are invited  
to picnic on the Chapel lawn fol-  
lowing the service. Soft drinks and  
ice cream will be provided for pic-  
nickers. Perfect attendance awards  
will be presented to deserving  
Church School pupils during the  
picnic.

### SENIOR TEENS

The regular Sunday evening  
meeting of the Senior Teens is can-  
celled on 2 June. The plans for a  
trip to the Peguis Indian Reserve  
are also cancelled.

### SUMMER VACATION SCHOOLS

A Vacation Bible School will be  
held in the Chapel for the two-  
week period of 8-12 and 15-9 July.  
If response is sufficient, a second  
school will be planned for the mid-

dle of August. All children from  
the ages of 3-10 will be welcome.  
Persons interested in leadership in  
either or both of these schools are  
asked to contact the Chapel at Lo-  
cal 417 or to leave names with F/C  
Scarlett after Divine Service on  
Sundays. Further details will ap-  
pear later in this column.

### ROMAN CATHOLIC CHAPEL NEWS

Rev. F. A. Halle (W/C), Train-  
ing Command Chaplain (RC)  
Rev. C. E. Grant (F/L) Senior  
Station Chaplain (RC)  
Rev. J. Y. Cormier (F/L), Sta-  
tion Chaplain (RC)  
VE 2-1311, Local 272.

### MASSES

Sunday — 9 and 11 a.m.  
Weekdays — 4.30 p.m.  
Saturday — 11 a.m.

### CONFESSIONS

Monday-Friday — Before every  
Mass.

Saturday—1900-2000 hours.

Sunday — Before and during  
both Masses.

Other times—by appointment.

NOTE: If there is no priest in  
the Confessional, ring "Confession  
Bell." Parents are asked to remind  
their children to come to Confes-  
sion after school on Friday after-  
noon, that is, from 1600 to 1630  
hours.

### NURSERY SERVICE

During 1100 hours Mass young  
children of parents who attend this  
Mass, will be cared for by nursery  
service in the Chaplains' quar-  
ters.

### BAPTISM

Usually on Sunday afternoon.  
If this is inconvenient another  
day of the week may be chosen.  
Telephone the Chaplains' secretary  
during working hours to arrange  
the date and the hour. This will  
make it possible for the papers and  
certificates to be filled in before-  
hand.

### MARRIAGE

Contact the Chaplain or his sec-  
retary at least one month before-  
hand if both parties are Catholics.  
In the case of a prospective mixed  
marriage, notice should be given  
at least two months in advance in  
order to give time for the couple  
to follow the instructions required  
by Church Law.

On Thursday, 16 May, a Cana  
Conference was held in Our Lady  
of The Airways Chapel. The con-  
ference, organized by the Catholic  
Family Movement, was conducted  
by Reverend Father John Provost  
of Holy Rosary Parish. Father Pro-  
vost, gave a very interesting and  
enlightening talk on the holy sac-  
rament of marriage. Then, after a  
refreshment break, the speaker

conducted a question and answer  
period. There was a good turnout  
of over twenty couples for the con-  
ference.

### SCRIPTURE READING

for every day of the week.

Friday—31 May: Third Epistle of  
St. John, 1-14.

Saturday—1 June: Epistle of St.  
Jude, 1-13.

Sunday—2 June: Gospel according  
to St. John, 14,23-31.

Monday—3 June: St. John, 3,16-21.

Tuesday—4 June: St. John, 10,1-10.

Wednesday—5 June: St. John, 44-  
52.

Thursday—6 June: Gospel accord-  
ing to St. Luke, 9,1-6.

Friday—7 June: St. Luke, 5,17-26.

Saturday—8 June: St. Luke, 4,38-  
44.

### RC PADRE TRANSFERRED

This week the RC community is  
losing its Senior Station Chaplain,  
S/L (Rev.) John A. Fredrickson.  
Father Fredrickson reported to  
Winnipeg in the Summer of 1960.  
In no time after his arrival on the  
base, he had made himself known  
to the personnel of the whole base,  
staff and trainees, as well as to his  
own parishioners. Thanks to his  
drive and capacity for action, apart  
from the necessary duties such as  
social functions, graduations, pa-  
rades, etc., he devoted much time  
to all the chapel activities and  
never spared himself when any-  
body presented himself with a  
problem. Although it is doubtful  
that Father Fredrickson will miss  
the severe winters of the Prairies  
and the long trips to his beloved  
City of Montreal, there is no doubt  
that he will miss the many friends  
he has made at Winnipeg as well  
as the congregation as a whole.  
There is no doubt that Father

Fredrickson has left his mark here  
and will be well remembered. He  
is going to Rockcliffe to take over  
the responsibilities of Staff Officer  
of Religious Administration/RC  
for Air Materiel Command. In the  
course of his duties, he will have  
to come back to Winnipeg on his  
way to Calgary and Edmonton, and  
we presume that we will again  
have the pleasure of his visit to us.

Father Fredrickson will be re-  
placed by F/L (Rev.) E. Grant  
who is coming from Centralia. One  
of the drawbacks of service in the  
Armed Forces is the way we keep  
leaving friends behind; on the other  
hand there is the corresponding  
advantage of also finding many  
more friends who have preceded  
us to the new place of duty. Since  
Father Grant has been in the Air  
Force since December 1954, there  
is no doubt that he is known to  
many here. Father Grant's first  
appointment was at Stn. Cold  
Lake, then at 4 Wing, and on his  
return, to Centralia.

We wish the warmest welcome  
to Father Grant and God-speed to  
Father Fredrickson.

### SUNDAY SCHOOL

This is the result of last Sunday's  
examination in Religion for Junior  
High School students:

90% or over: Chris Carruthers,  
Margaret Young, Carmella Poir-  
ier, Judy Killoran, Bernadette  
Collins, Lorraine Crawford.

70% or over: Paul Poirier, Jim  
Donovan, Philip Martin.

Under 70%: Cynthia Sinclair, Peter  
Richer, Marc Lavigne and David  
Pawlak.

# CORPORAL'S CLUB

By PAT MUNROE

We somehow left out any mention of the Inter-Mess Games Night with the AC's, held on 17 May at Club 61. An enjoyable time was had by all and our hosts were most gracious and certainly had the "Welcome Mat" out in all respects excepting one—they won the magnificent "Games Night" trophy donated by Zolmar's.

We have still been unable to get a schedule for the Industrial Football League, but we can say that most Monday nights will feature a home bout here at the station. Be sure to turn out on Monday, 10 June, as the visitors will be Civics, past Manitoba champs.

BINGO this Saturday night with a \$50.00 JACKPOT. That is tomorrow night, 1 June.

**Winnipeg's Goldeyes.** Tickets are now available through club ball-players for a Winnipeg Goldeyes league game, Monday, 17 June. Tickets are \$1.00 each. Fifty percent of proceeds go to the Industrial League of which we as members certainly received a large return last year in trophies, etc. Don't miss out. Take your wife or girl friend to this annual event. See you at the Winnipeg Stadium the 17 June.

The Mess Dinner is next Friday. Full information can be found in DRO's.

There is a league ball game downtown next week. You can find out the date and location at the club.

Before closing, we'll have to offer our sympathy to the fishing fans, as the weather seems to have been so much against them recently. Needless to say this feeling of sympathy will be transferred to those wives who will become fishing widows as the weather improves.

This story is brought to mind: "Fishing again," wailed the wife of another dedicated angler as he

kissed his wife absent-mindedly farewell. "I do believe I'd drop dead if you spent one weekend at home with me."

"Now now," he countered. "No bribes!"

## SOCCER

The RCAF Soccer team won its second game on Thursday, May 23, as they trounced the new entry, the Go-Aheads, by a healthy 12 to 1 score. The game was hardly a workout for the Air Force team.

Jock MacDonald showed some superb ball handling and with his good speed constantly kept the opposition fullbacks in somewhat of a turmoil.

Scoring for the RCAF were: Tommy Reed, 4; Bruce Porter, 2; Clive da Silva, 2; Jock MacDonald, 2; Stieny Hagen, 2.

The following is a list of practice sessions coming up:

- Sun., 26 May—1400 hrs.
- Sun., 2 June—1400 hrs.
- Tues., 4 June—1200 hrs.
- Thurs. 6 June—1200 hrs.
- Sun., 16 June—1400 hrs.
- Thurs. 20 June—1200 hrs.
- Sun. 23 June—1400 hrs.

Players should make an attempt to attend as many of the practices as possible.

## YOUNG AUSTRALIANS

(Continued from page 1)

been a most welcome swim in the pool in the Recreation Centre. For the rest of the evening they were able to relax at a record hop in Building 24, where they were hosted by the Senior Teens.

The boys seemed a little at a loss at the beginning, maybe "bossa novas," "Hulley gulley's" were just strange words to them, but after a while they caught on and were soon twisting like veterans.

On Saturday morning the party re-assembled in the ANS Theatre for a few words of welcome from W/C W. B. M. Millar, CD. The boys then proceeded to the tarmac south of 16 Hangar and were shown the capabilities of St. James Fire Brigade's new triple boom snorkel apparatus, which was followed by a mock rescue carried out by the station fire department.

After lunch in the combined mess, a live para-drop had been planned by a para-rescue team from 111 KU. The weather, however, was not kind, for a wind in excess of 30 mph ruled out everything but a demonstration drop with a dummy. The standby aircraft were then visited and also para rescue section where Sgt. "Ted" Bourdon demonstrated the equipment used by the jumper in his search and rescue missions.

The visit ended with a short get-together in the combined mess,

## Wire Bowling Competition

**SOUTHWARD BOUND???** The bowling skill of Mrs. Shirley Brown could change the card being handed her into a ticket for a trip to Jamaica, BWI. Mr. M. Kane of Player's Bowling Festival presented the card to Mrs. Brown on Friday, May 24, entitling her to compete with about 500 other finalists for some 60 pairs of trips to the Atlantic island vacation spot. Mrs. Brown, of the TCHO Admin Unit, qualified for the competition by increasing her bowling average from 140 to 178 over the past four months.

Mrs. Mary Sims and Mrs. Kaye McLarnon receive finalists pins from F/O Bob Armstrong (Aux. Sqn.) Imperial Tobacco Co. representative. Mr. M. Kane, also of Imperial Tobacco Co. looks on.

These ladies showed them how, in Canada's largest bowling classic—the Player's Bowling Festival. This Bowling Festival sponsored by Player's, had the largest entry of any sporting event in Canada—126,000 entries. These ladies won out in the Station eliminations and together with 6,000 national finalists took part in the finals on May 25th. Results of these finals will be announced on June 7th after

tabulation of scores.

These ladies, along with the other finalists, are eagerly awaiting the results.

There are 60 prizes of trips for two to Jamaica. The winners, along with a companion of their choice, will spend 12 fun-filled days at a luxurious hotel in this tropical paradise—all expenses paid. All Station personnel wish you luck ladies.

when F/L E. Hoare (RAAF), the tour's assistant manager, thanked the RCAF for the interesting visit, and the Young Australians voiced their appreciation in a "Sky Rock-

et" howl, which seemed to indicate that all concerned had had a good time, and would carry memories—as well as pen pal addresses—back with them to Australia.

## Miss RCAF

The second round of candidates. Last year's winner proceeded on to the highly competitive Manitoba Pageant.

The station committee for the purpose of selecting young ladies within the ranks of the RCAF to compete, to have the honor of entering the Miss RCAF Pageant, will meet on the first week in June. The committee appointed the following as Miss RCAF candidates for the competition will be held during the first week in June. The committee appointed the following as Miss RCAF candidates for the competition will be held during the first week in June. The committee appointed the following as Miss RCAF candidates for the competition will be held during the first week in June.

In order to be eligible for Miss RCAF Winnipeg and for the Miss RCAF Pageant, the following qualifications must be met:

- (a) Be between 18 and 25 years.

## \$60.00 BOTTLE MOTTO

Closes 28 June  
Separate cash and motto.

Entry blanks available at the following locations:

- Station PRO, Bldg. 1
- Stn. Orderly Room
- Westwin Exchange
- Hospital OR, Bldg. 1
- ANS OR, Bldg. 1
- ANS Flying Wing
- 111KU OR, Hgr. 1
- Supply OR, Bldg. 1
- CE OR, Bldg. 1
- Stn. Photo Section

FOR FULL DETAILS — SEE "VOX" May '63.

## THE RCAF

The Canadian Service Monthly for April 1963 carried the following item:

"RCAF's Maritime Command in Halifax wide fast news and coverage on the four former polar expeditions—"Bear", March 1963.

F/L Cy Dunbar, who was with the "Bear", returned from Halifax to Philadelphia in heavy seas 100 miles from the southern tip of Newfoundland.

Cpl Don Stanger, a photographer aboard the "Bear", captured two shots of the "Bear" standing by.

WO George B. Greenwood processed the shots and drove 100 miles to the wire-photo use less than an hour after Stanger returned.

# Miss RCAF Stn. Winnipeg Contest

The second "Miss RCAF Winnipeg" Contest is now open for candidates. Last year's contest was won by Miss Frances MacInnis, who proceeded on to the Miss Manitoba Pageant, and was runner-up in this highly competitive competition. This year it is hoped that the Station will again be able to produce so capable a candidate for the Miss Manitoba Pageant.

The station contest is conducted for the purpose of allowing all young ladies who are eligible, within the framework of Station Winnipeg, and who are willing to compete, to have an opportunity to enter the Miss Manitoba Pageant as Miss RCAF Winnipeg. Candidates for the Miss RCAF Winnipeg competition will be judged during the first week in June by a committee appointed by the Commanding Officer. The winner will proceed on to a series of engagements connected with the Red River Exhibition, and as part of the judging process for the Miss Manitoba Pageant.

In order to be eligible for the Miss RCAF Winnipeg competition, and for the Miss Manitoba Pageant, the following qualifications must be met:

- (a) Be between the ages of 18 to 25 years.

- (b) Never have been married.
- (c) Be resident in Manitoba.
- (d) Have grade eleven education or better.
- (e) Be a dependent of service or civilian personnel on strength at local units or be a serving member or DND employee.
- (f) Possess a talent that can be displayed or demonstrated.
- (g) Be available to attend the Red River Exhibition (21 to 29 June) and various functions on the station during the year.
- (h) Provide an un-retouched portrait photo to accompany the nomination.
- (i) For the Miss RCAF Winnipeg Contest be a dependent of service or civilian personnel on strength at units connected with Stn. Winnipeg, or be a serving airwoman, or DND employee.

## \$60.00 BADGE AND MOTTO CONTEST

Open to all Station service and civilian personnel and their dependents.

Starts 17 May '63.

Closes 28 Jun '63.

Separate cash prizes for badge and motto.

Entry blanks available at the following locations:

- Station PRO, Bldg. 86.
- Stn. Orderly Room, Bldg. 86.
- Westwin Exchange, Bldg. 90.
- Hospital OR, Bldg. 1.
- ANS OR, Bldg. 84.
- ANS Flying Wing OR, Hgr. 10.
- 111KU OR, Hgr. 3.
- Supply OR, Bldg. 52.
- CE OR, Bldg. 100.
- Stn. Photo Section, Hgr. 16.

FOR FULL CONTEST DETAILS — SEE "VOXAIR" for 17 May '63.

## THE RCAF HELPS OUT

The Canadian Press Picture Service Monthly Bulletin dated April 1963 carried this interesting item:

"RCAF's Maritime Air Command in Halifax helped CP provide fast news and picture coverage on the foundering of the former polar exploration ship "Bear", March 1963.

F/L Cy Dunbar, PRO, tipped CP that the "Bear", under tow from Halifax to Philadelphia, was adrift in heavy seas 100 miles off the southern tip of N.S.

Cpl Don Stanger, an amateur photographer aboard a search aircraft out of Greenwood, N.S. took two shots of the "Bear" and a tug standing by.

WO George Brannan of the Greenwood Photo Section processed the shots and prints were driven 100 miles to Halifax for wire-photo use less than 3½ hours after Stanger returned to base.

## FAMILY WATER SAFETY

Last weeks Family Water Safety evening was extremely successful from the Instruction view point, but only 35 to 40 persons were in attendance. Unfortunately for boat owners, they missed a great deal of useful information in all aspects of boating. Mr. Bill Greenly from the Manitoba Red Cross presented films and a short lecture, the main theme or course was Boating, emphasis being placed on Government approved Equipment, e.g. Life Jackets, cushions, Light and Flag Regulations. Did You KNOW — all boats must have identification numbers, and any boats 16 feet in length and under, must have a Government plate specifying Maximum size of motor to be used and maximum carrying weight. We learned about the types of Anchors, Ring bouys, Extinguishers, paddles and general demonstration of some of the equipment used around Water areas. In all, the slides gave an excellent idea of equipment being used for modern boating and water safety. Mr. Greenly displayed some of the approved jackets and with the help of Miss Debbie McInnes, a non swimmer from our Beginner classes, demonstrated a non-swimmer's peril with a jacket on. Much to her enjoyment, she had her first swim in the deep end of the pool. — A sure test of the ability and safety of Lifejackets. It is unfortunate, there had not been more out to the Safety nite, but I am sure, those in attendance acquired some use-

LAC and Mrs. Albert Carpenter a daughter, Laurel.

AC1 and Mrs. L. W. Nestor a son, Allan Wade.

## DANISH OFFICERS

(Continued from page 1)

Manitoba. The group left Winnipeg at 2 p.m. Monday afternoon for Stns. Penhold and Cold Lake, Alberta, prior to travelling to Air Force Headquarters, Ottawa.

While here the group was hosted by Air Vice Marshal H. M. Carscallen, Air Officer Commanding Training Command, RCAF, and by Group Captain D. A. Willis, Commanding Officer, RCAF Stn. Winnipeg.

Other members of the Danish party were Lt. Col. P. Thorsen, Danish Air Attache, Washington; and Majors T. H. Petersen, L. F. Hansen, A. V. Rasmussen, and B. W. Ledertoug.

At their departure, military ceremony was accorded the visitors by a 100-man Guard of Honour and the Band of RCAF Stn. Winnipeg.

### PROTESTANT GUILD

The regular monthly meeting of the Guild was cancelled for the month of May due to the shifting of the date of the whist drive. However, the June meeting will be held as usual on the second Monday of June, which is the 10th, at 8:15 p.m. As always, our June meeting will be a pot-luck supper, something which is looked forward to by all the members. We hope that our regular members will endeavour to bring a new neighbour when they attend the June meeting, since we will be saying goodbye to so many of our regulars who will be leaving us this summer. It is most important that we build up our membership again with all the major losses we are suffering due to transfers.

Any of the ladies who wish to donate a cup and saucer to our kitchen and have not yet had the opportunity to do so are urged to bring them along to the June meeting. We now have 26 lovely cups and saucers in our cupboards for special occasions, for which we are very grateful, but still find it necessary to take many of our own out for confirmation teas and so on, so hope we can build up our supply a little more.

Information about the pot-luck supper is available from any member of your Guild executive. Hope to see you at the chapel annex on June 10th.

Members of the Silver Heights Ladies' Group are holding a pot-luck supper on June 4th and have extended an invitation to the ladies of the Protestant Guild to attend. Ladies from the Guild who have attended this supper in previous years have had a most enjoyable time, so if you are interested in attending, please get in touch with some member of your executive, at least a week ahead of the supper so that we may inform them of the number of ladies who will be attending from our church.

Shopping Centre 832-4888

HANDY TO RCAF STN.

Friday evening of the 24th saw something new for the residents of Air Force housing in Winnipeg. We were treated to a fireworks display by our local council in a perfect setting behind the recreation centre where everyone had a good seat for viewing along the side of our one precious hill. The audience was very enthusiastic about the display, judging from the "oh's" and "ah's" rising from the crowd with every brilliant burst, and the spontaneous applause from the children at each unusual showing. The weather co-operated with us for a change, giving a beautiful evening for fireworks. We do hope the council will make this display an annual affair, since it served a dual purpose. Not only did it make an entertaining evening for the viewers, but it also cut down this year on the number of children handling and mis-handling fireworks in the housing areas, to the relief of all.

The past week saw plenty of garden activity in the rental unit area. Loads of top soil were to have been dumped at each home for lawn enrichment. The top soil turned out to be fertilizer, barnyard variety, complete with animal bones, chunks of wood, and droves of assorted flies. Nearly everyone in the units was out with shovels, rakes and hoses. With the help of the lovely rain on Sunday we are almost sure to wind up with good lawns this summer. I expect we will also have an unusual crop of flies, but no matter. There's always a can of "Raid" in the house. There has been a murmur of complaint from the natives, however. We all seem to be suffering from an ailment which has been labeled "manure-spreader's back." This too will pass, friends, as we look forward to good green lawns and bright flower borders this summer!

#### RECIPE OF THE WEEK

##### Coffee Ring

- 4 tablespoons margarine or butter
- $\frac{3}{4}$  cup white sugar
- 2 eggs
- $\frac{1}{2}$  pint salad cream
- $1\frac{1}{2}$  cups flour
- 1 teaspoon baking soda
- $1\frac{1}{2}$  teaspoons baking powder

#### Sugar mixture:

- $\frac{1}{2}$  cup brown sugar
- 1 teaspoon cinnamon
- $\frac{1}{2}$  cup chopped walnuts

Mix dough as usual, then place half in greased tube pan. Sprinkle with half the sugar mixture, then add remaining half of dough and top with remaining sugar mixture. Bake at 350 for half hour or until done.

This is Trudy Shannon's coffee ring recipe and is simple but truly delicious.

## TEEN BEAT

### GOLDEN GATE SCHOOL REPORT

Now that classes have returned to school with the dread of report cards behind us once more we can resume our regular school activities.

During the past couple of weeks, there has been a lot of excitement at Golden Gate. On Monday 6 and Tuesday 7 of May, a Spring Coral Concert was held to increase school funds. Many residents from St. James and Silver Heights attended thus helping to make this event a great success.

In the sports line, an Inter-School Road Race was held on Thursday, May 9. Participating schools were Golden Gate, Silver Heights, Deer Lodge, and the St. James Collegiate. In the girls' relay Golden Gate took first, second, third, and fourth places, under the leadership of Susan Clark, Lesley Hamerton, Louise Bailey, and Louise Budworth. In grade 7, our team placed second under Susan Eaton.

In the boys' two-mile race, Bob Nash finished second and Fred Johnson came in seventh. All first, second, and third place winners received track shoes; runners-up got medals and ribbons.

Golden Gate had the winning team with 544 points. For this we will be honoured with a team plaque to be placed in the main corridor of the school. Our hearty thanks go to Mr. Engbryht, the cheerleaders, Mr. King and his band, and, of course, our coaches, Mrs. Critchly and Mr. Loadman.

Sunday, May 19, we did something different. Instead of having a devotional, we were divided into groups and given a sheet of questions to answer. Everyone seemed to like this much better because we could participate more.

Following a discussion of the questions, we established the program for the 24th and 25th of May. Then Mr. Syrett showed the slides he took when he was in the Arctic.

There are no definite plans for next week. There will be regular meetings during June, however, and we hope the attendance will be as good as it has been this winter.

#### SENIOR TEENS

Last Friday and Saturday a group of girls from our church, as well as others in the area, met a group of 32 Australian boys. On Friday night, after the boys had had a swim, the group went to Bldg. 24 for a dance. The next day, starting at 1000, we went on a tour of the Station and were given demonstrations of new fire equipment and Search and Rescue equipment. On Saturday we also had lunch and tea with the boys. Many friends were made and penpals gained. A wonderful time was had by all.

The dance which was to be held on June 15th in Bldg 17 has been cancelled. On June 8th, in Silver Heights United Church, there will be a Mardi Gras Dance. Everyone please wear a mask. It starts at 8:00 p.m. and the admission price is 25 cents.

The trip to Peguis Indian Reserve which was being planned for June 1 and 2 has been put off until early in September.

There will be no meeting next Sunday (June 2).

CORNELIUS' CORNY QUIPS  
Some Cultured Pearls of Wisdom  
The only way a man can get the last word is to apologize.

A man who doesn't know his own strength should become acquainted with his wife.

A man very often finds why his son is his spitting image, when he tries to feed him pablum.

Never question your wife's judgment—look who she married.

The difference between wrestling and dancing is that some holds are barred in wrestling.

## JUDO NEWS

Last weekend the RCAF Winnipeg Judo Club competed in the Western Invitational Judo Competition in Namao, Alberta. The team consisted of F/L Baptiste, Cpl. Kensett, LAC Wenninger, LAC Carignan, LAC Hildred. Jerry Carignan had one of his finer days winning the 4KYU (Orange Belt) competition. Dick Kensett also came up with a fine performance and was runner-up in the 2KYU (Blue Belt) competition.

The team, the only one representing Manitoba, received stiff competition from teams from British Columbia, Alberta and Saskatchewan. Nevertheless the team still managed to finish second in the competition.

The Judo Club would like to extend sincere thanks to 111KU for the use of the Expeditor and F/O Ferguson of ANS for sitting in as co-pilot.

The Judo Club will now be closing down for approximately two months for renovations. Classes will again start up around the end of July.

Once again hats off to the Stn. Judo Club on a job well done.

## EMERGENCY BLOOD DONATIONS

At 1100 hrs. 10 May '63 an emergency call for donations of Group "O" blood was received from the Winnipeg Depot of the Canadian Red Cross Blood Transfusion Service. Donors were requested via announcements in messes, institutes and work areas on this station, resulting in ten Group "O" blood donations by service and civilian personnel of RCAF Ttn. Winnipeg the same afternoon. The following personnel gave freely of their time and blood: LAW Mr. Mechar, Miss M. Renault, LAC J. E. Cline, LAC T. P. Gaul, LAC F. M. King, AW1 B. M. Knezacek, Sgt. P. J. Supeene, LAC C. G. Bishop, LAC J. L. Brassard, LAC E. D. Martin.

The heartfelt thanks of all Canadians are due these unselfish blood donors—well done!

## SAVE YOUR CHILDREN'S BOOKS

for the coming book drive.

Books are urgently required for the Junior section of the station library.

A canvas of PMQs and Rental Units will be carried out during the week of June 10th to 15th by the Boy Scouts and Cubs.

Further information in next week's Voxair.

Sponsored by your Community Council.

 PLACE — Old Drill Hall East Side.

**SCOUTS**

The "Golden Hawks" troop has recently been reactivated and are progressing very favourably under Scout Master Sgt. C. A. Rouse. Some members of the old Scout troop have returned and last Tuesday several Cubs who had reached Scout age were taken in to the troop.

**CUBS**

"A" Pack — "A" Pack have been very busy since our last write-up. Mrs. Golding the Club master has been going all out in an effort to advance as many Cubs as possible prior to closing down for the summer.

Here are some of the stars earned and the promotions:

**Promotions**

Senior Sixers — Mark Stevenson, Scott Ross.  
 Sixers — Barry Crawford, Robbie MacDonell.  
 Seconder — Michial Thompson.

**Badges Earned**

Collector — Jamie Dunn.  
 Artist — Brent Murray.  
 Trampplayer — Scott Ross.  
 Swimmer — Grant Martin.  
 Toymaker — Brent Murray.

**Stars**

Robbie McDonnell and Robbie McCormick.

**New Cubs Joining**

Terry Harris, Jamey Murray, John Coleridge, Michael Leblanc, Darrell Cole, Robert McLaran, David Nickolson.

"B" Pack — Ron LeNeven the cub master, has had another assistant transferred away but the pack continue to pass test and earn badges. This pack have started choosing an "Honour Cub" each cub night and this is creating considerable interest, the cub being chosen also wins a prize.

**Promotions**

Senior Sixer — Byron Stanley.  
 Sixer — Alan Mathews.  
 Second — Richard Hollingshead.

**Badges**

Swimmer and Toymaker — Byron Stanley.

**Stars**

Richard Hollingshead, Raymond Scarlett, Leonard Riopelle, Leslie Krause and Byron Stanley.

**New Cubs**

Ronald and Keith Deschenes.  
 "C" Pack — Cubmaster Paul Martel has been very busy preparing cubs for the going up ceremony to Scouts and also planning for the summer camp.

Allan Fuller received his second star and Creig Sallows, Ricky Hobbs and Jamie Hubbs were invested.

**"D" Pack** — Changes in leaders have taken place in this pack, Archie Rouse left as cubmaster and is now reactivating the scout troop, Frank Fowler has taken over as cubmaster.

First stars were awarded to Dennis Dessano and Vance Millar and a second star to Randy Puce.

An enjoyable "Indian Night" was held on the prizes for the best costumes were awarded to Randy Puce and Ricky Rouse.

**Coming Events**

Father and Son evening.

**THE SCOUT PROMISE**

On my Honour I promise that I will do my best:  
 To do my duty to God, and the Queen,  
 To help other people at all times,  
 To obey the Scout Law.

**SO WHAT'S NEW?**

By F/L J. MACDONALD

"The Flyer's Guide," printed in 1915, has some useful hints which might be of interest to present-day aicrew so a few are presented here.

**Instrumentation.** The flyer must have engraved on his mind the fact that a machine only flies by virtue of the speed with which it is passing through the air. If he allows that speed to be lost it will cease to fly.

The aviator is usually assisted by various instruments, but opinions differ as to the wisdom of allowing the flyer to use them. The instruments more generally fitted are:

- 1) Pitot Tube
- 2) Aneroid Barometer
- 3) Inclinator
- 4) Watch
- 5) Compass

1) The Pitot Tube which registers the airspeed of the machine but is recognized as not being dead accurate.

2) The Aneroid Barometer is, without doubt, a very useful accessory. It is harmless, as it is not a direct help to the flying of a machine. Furthermore, there is in every pilot's mind an unexplainable desire, one might say craving, to know how high he is.

3) The Inclinator is a spirit level marked in degrees to show at what angle the machine is to the horizon in a lateral sense. As a rule they are inclined to stick, and are of little value.

4) A watch is a decided source of comfort.

5) Not necessary for aerodrome tuition.

**Cross country flying.** Although few pilots rely on the compass to find their way, it is of the greatest use under certain circumstances. It is always advisable to look up one's course on a map before starting off and to note down the compass bearing from point to point.

Before starting off across country, it is as well to make certain that one has enough petrol and oil in one's tanks. In addition, a certain number of tools, a sparking plug or two, some wire, etc., should be carried. The engine must be run on the ground to your entire satisfaction. It is never worthwhile commencing a flight with an engine that is not doing its best.

If the clouds are thick and numerous, one of two courses must be adopted. Either fly below them if they are sufficiently high to allow this, or, if they are very low, it will be necessary to get above them and fly entirely by compass bearing. In the latter event it is recommended that a descent being made at regular intervals (every 20 miles or so) until the earth becomes visible in order to verify one's position.

**DEFENCE — AGAINST OURSELVES**

It is true that we, ourselves, are our own worst enemies from a safety standpoint.

We can only DEFEND ourselves AGAINST ourselves when we RECOGNIZE ourselves for what we are.

The process of self evaluation upon which we must build our defences is something very personal. No one can examine another man's conscience nor can anyone else evaluate us as well as we can.

It is not necessary to go to a head doctor and flop on his couch to get the answers we need. Listening to a pot of pious advice is not likely to get the job done, either. Did you ever stop to think that nobody can bawl you out as well as you can yourself?

When somebody else bawls you out, you usually wind up resenting it and seeking justification for your actions. Certainly our minds tend to close up during the course of a bawling out. Often we don't even hear what's being said because we are too busy wondering where we can get another boss, or another wife, or another or whoever it is that's handing out the sass.

On the other hand, did you ever say to the guy in the shaving mirror something like this. "What a smart cookie you turned out to be. You wouldn't slow down and stop for that yellow light. No, you had to see if you could get through before it turned red. Now you have to make out an accident report, pay for a traffic ticket, tell the boss about it — lose your safe driver award for another year and try to explain it to the better half. Boy, you're really smart."

Now that's the kind of bawling out that a man really listens to. That's the kind of bawling out that rakes his hide where it hurts and, if he is at all capable of learning a lesson, he's listening to the only teacher on earth that can really dish it out.

One of the most important personal characteristics that we have is summed up in the word, "attitude."

What is our attitude towards our jobs, our families and our fellow men? Make no mistake, when we start wheeling cars with passengers over the streets and highways, we are our brother's keepers whether we think of it in that light or not.

We accept responsibility for life and property that can't be measured merely in insurance dollars.

The man who regards himself as "just a driver," who does not recognize the true value of his position in the life and commerce of his community, is not only missing a lot of inner satisfaction but is actually guilty of a kind of deliberate blindness.

Our attitude towards ourselves should be governed by one important fact. If the cars and commercial vehicles of this nation were all halted, the country would grind to a total and complete halt. Maintaining the flow of goods and services upon which the economic life of the country depends is our obligation. There is no group in Canadian industry more important to the national welfare than is ours.

To return to the matter of self evaluation; if we do an honest job — one motivated by an attitude that recognizes our importance in the scheme of things — we can recognize our personal defects and set about overcoming them.

The approach to self improvement must spring from a desire not to be just average, but to be better than average.

**MAKING ALLOWANCES**

The office girls were talking about a certain member of the firm.

"I know he's rich," said one, "but isn't he too old to be considered eligible?"

"Gosh, no," replied another girl. "He's too eligible to be considered old."

## ANS PILOT ON RETIREMENT

F/L Frechette is seen in the picture above receiving his tankard from W/C R. C. M. Bayliss, OC ANS. F/L Frechette has been employed by Nordair Ltd., Stee, Montreal for flying duties to the DEW Line. He will make his home in Ottawa at the moment, rather than Montreal for reasons he prefers not to mention. We wish him best of luck in his new career.

By F/O G. LEBOEUF

A recently transferred officer asked a friend the other day how he liked the summer in Winnipeg. The friend replied, "I don't know, I've only been here 10 months." Rain or shine, ANS welcomes the following officers: F/L E. D. Orr, transferred to the OT section after attending SRI course at CNS and RCS course at Clinton. F/O B. F. Cunningham from 401 Sqn. F/L B. A. L. Lakey and F/L R. S. Lee from 406 Sqn. on special duty with Nav/Air section for the summer. F/O's R. K. Allen, D. B. Gearing, R. F. McElman, P. H. Relton, and J. E. B. Robertson posted to ANS/FW.

We are wishing farewell to two pilots: F/O John Reny transferred to 412 Sqn. Uplands after almost four years in Winnipeg and F/L Freddie Frechette retiring from the RCAF.

Returning from the SIT Course, F/L G. L. McPhee, F/O's G. Maher and L. G. Riverin will now be in a position to practice the art of teaching.

### Visit to ANS

Last Tuesday and Wednesday Major General Van Sickle, Commander 3535th Navigator Training Wing of the USAF, visited ANS. The visiting party was given a briefing on the role of ANS by W/C R. C. M. Bayliss, S/L J. P. McDonald also gave a briefing on pilot training, S/L D. Halcrow on student administration and Major H. Powers on navigation training.

### ANS Entertainment

A farewell party will be held in the Officers' Mess at 1830 on Fri-

day, 7 June, for F/L A. F. Clarke, F/L J. B. Archibald and F/L W. J. Matthews.

The ANS Dinner-Dance will take place on Friday the 14th of June in the Officers' Mess. Please make your reservations through the ANS Entertainment Committee:

F/L W. H. Fell, 364—Chairman.  
F/L M. R. Hunter, 527.  
F/L R. B. Wicks, 390.  
F/O N. R. Lee, 377.

## Servicing West

By DICK GINTER

24 May '63

F/C's Bryan Forrest and Glenn Greer have set up shop next door to the Bird Watchers for a short period while they work out an efficiency program for our a/c.

F/C Forrest, of Victoria, in spite of the nasty weather encountered in Winnipeg, says he likes our town. F/C Greer of Toronto, agrees with him. They both think (along with many thousands of others) that Wpg has the prettiest and most carefully groomed women.

Best wishes are extended to both in their future studies and careers.

We welcome Sgt. F. H. Hargreaves, formerly of Research, and LAC Ron Stewart, ex Ground Handling, to Serv/West. May your stay here be profitable and satisfying.

Unfortunately when we welcome incoming personnel it usually indicates that we must also say Farewell to others.

This time we bid fond adieu to Sgt. Ken Crossely and LAC C. V. Murray both going to Repair. Best wishes in your new surroundings.

LAC Lapierre has gone 'down home' on leave after which he will take up residence in Summerside. Earl was another sharp type who married a local girl to take back east. At this rate we'll have completely integrated culturalism in spite of the FLQ!

I have the sad duty to report WO Casey Waroway's transfer back to 111 KU. We shall miss his wit and wisdom. This, incidently, leaves an opening on the board of directors of the T.A. Club for this area.

Old fans will remember WO Walrod's trailer, the Trans Expi-Dak, but I doubt whether many would recognize it's new polka dot paint job. No, it is not a new colour. Apparently the paint was too brittle to resist the hail which produced this gaudy effect.

We heard from a usually reliable source that Cal Shermerhorn, our favourite Ham, has reverted to smoke signals as a means of communications. Evidently the conversation was too hot to handle and the transmitter burst into flames.

## BENEVOLENT FUND'S RECORD YEAR

A record year for grants and loans was reported at the 20th annual meeting of the Royal Canadian Air Force Benevolent Fund, held recently in Ottawa. In presenting his annual report, chairman of the board, Wing Commander D. Park Jamieson, M.B.E., Q.C., LL.D., mentioned that the misuse of consumer credit had led to financial difficulties for many people.

Since the end of the Second World War, he said, assistance extended by the fund had increased steadily, and was accountable, to a large extent, to those who had abused their credit privilege. Inadequate sales resistance was blamed for the fact that many members of the community seemed unable to control their spending, so that the slightest unusual expense threw their planning out of kilter. In addition to being helped financially, these people had to be counselled and supervised to help them keep clear of further trouble.

Educational assistance to university and vocational students also increased during 1962, helping to equip the recipients to earn eventually a better-than-average income. Despite the increased coverage of hospital and medical insurance, the reduction in demands on the fund for these purposes has not been as great as might be expected. This, said the chairman, was largely because some people were unable to afford complete coverage, while others, through ignorance or inertia, failed to cover themselves.

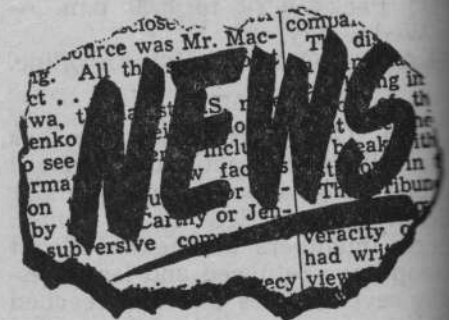

At the close of 1962 the Fund totalled \$3,711,527.00, and the generous contributions of the Active Service units have helped maintain this healthy financial position. During the year, the Fund extended grants and loans to the sum of \$466,000.00, to service and ex-service applicants. Settlements achieved and help obtained from other sources increased this figure to a total of nearly two-thirds of a million dollars. Of the total of 1,144 applications for help received during the year, only 55 were rejected.

The new President of the Fund is Wing Commander H. E. Langford, Q.C., of Toronto, who succeeds Air Vice Marshal FS McGill, C.B.

A director of a number of companies, W/C Langford, is President of the Chartered Trust Company, Chairman of the Board of Lucas Rotax Limited, a Past Chairman of the Board of Regents of Victoria University and a member of the Board of Directors of Queen Elizabeth Hospital. Called to the

Bar in 1928, he served in the RCAF during the Second World War, becoming Deputy Director of Manning at Air Force Headquarters.

The meeting included the annual election of officers of the Fund, during which Air Vice Marshal McGill succeeded Wing Commander Park Jamieson as Chairman of the Board. Air Marshal C. R. (Larry) Dunlap, C.B.E., succeeds Air Marshal Hugh Campbell, C.B.E., C.D., LL.D., as Honorary President, and Mr. H. G. Norman, C.M.G., C.A., remains Honorary Life President.

**GROUP CAPTAIN D. J. WILLIAMS TO NORTH BAY**  
TRENTON — Air Force Headquarters recently announced the promotion of Wing Commander Ernest M. Butcher, C.D., 42, of Vancouver to the rank of Group Captain and his simultaneous appointment as Commanding Officer of RCAF Station Trenton, effective as of August 7th. He succeeds Group Captain D. J. Williams, DSO, DFC, CD, 44, also of Vancouver who has been appointed director of operations and plans at Ottawa NORAD Sector Headquarters, North Bay, Ont., effective July 10th.

### SHIPS, SUBS, PLANES IN WARFARE EXERCISE

HALIFAX — Ships, aircraft and submarines of the Canadian Maritime Command Atlantic and the United States Atlantic Fleet and aircraft of the Royal Air Force are taking part in a large scale anti-submarine warfare exercise in the western Atlantic. The Command in Chief U.S. Atlantic Fleet has scheduled the exercise with Vice-Admiral E. B. Taylor, USN, Commander Anti-Submarine Warfare Force, Atlantic, in command as overall co-ordinator. The exercise will be conducted by Rear-Admiral K. L. Dyer, RCN, Canadian Maritime Commander Atlantic.

### CN OFFERING TOUR TO STRATFORD FESTIVAL

WINNIPEG — A nine-day package tour from Winnipeg to the Stratford Shakespearean Festival is being organized by the Canadian National Railways.

Leaving the CN station here July 27, the tour will include attendance at three festival performances, day-long sightseeing tours of Niagara Falls and the Thousand Islands, a visit to Casa Loma at Toronto and a theatrical performance there.

The tour ticket includes the cost of rail fare, berth and meals on the Super Continental, hotel accommodation in Ontario and all tips. Persons taking part in the tour arrive back in Winnipeg on August 4.

### GROUP CHARITIES PLAN SEEK NEW MEMBERS

A new membership campaign for the RCAF Winnipeg Charity Support Plan will be conducted in all units from the 3 to 7 June.

Canvasses for membership will be conducted by sections under the same general conditions as the drive staged last October. Personnel who are not now members of the CCSP will be offered the opportunity to join at this time.

At present, approximately one-half of the RCAF personnel in the

### VOXAIR VIXEN

AND SHE SINGS, TOO  
Lovely singing star Sylvia Murphy appears on two upcoming CBC-TV shows. She will be seen on Parade, Wednesday, May 29, and two days later she turns up as the special guest on the Tommy Ambrose Show, Friday, May 31.

area are enrolled and, as a group, have contributed significantly to major charities in Greater Winnipeg. To date over \$5000 has been donated to various charities and an equal or slightly greater amount will be given out in the next six months. If membership in the Plan can be increased during the forthcoming campaign, a significant increase in donations to local charities can be made.

The Plan has the full support of senior RCAF authorities and the charitable organizations as well. This support is based on the knowledge that by working as a group the RCAF can make a much more worthwhile contribution to local charities. The charities, on the other hand, strongly support group plans because they obtain greater returns from them than from individual contributions.

General information on the operation of the Plan has appeared as notices in DRO's at both Stn. Winnipeg and TCHQ during the past three weeks. Those interested are urged to inform themselves of the Plan's details from these notices.

A certain amount of resistance to the Plan has been encountered but the Committee responsible for its administration has had great difficulty in attempting to discover legitimate reasons for this resistance. Next week nonparticipating personnel will be given application cards on which they can signify whether or not they

wish to join the Plan and the amount of the donation they wish to make by monthly deduction from their pay. Those who object to the CCSP are urged to state their objections on the back of the card and forward it to the CCSP Chairman. This will permit the Committee to take corrective action wherever possible in order to make the Plan acceptable to the majority of those who are not now taking part.

The Plan is administered by an all-ranks committee which supervises its operation and makes recommendations respecting donations to charity. Comments and inquiries are invited. Committee members are listed below:

- S/L Jones — Chairman — 340
- F/O Banks — PRO — 292
- F/O Faber — Accounts — 678
- S/L Fredrickson — Chap (RC) — 272
- S/L Ross — Chap (P) — 417

### GROUP LIFE INSURANCE

North American Life & Casualty representatives have advised that they will be available to have their present policies amended every Wednesday between the hours of 1100-1400. Personnel who are participants and are interested in either Plan "A" or "AA" are urged to contact the representatives in the Snack Bar, Westwin Exchange.

Under the new benefits of the RCAF Group Life Plan, it has now been officially confirmed that the contract may be continued beyond regular retirement at the same premium through to age 60. Should the enrollment of new members

into the plan be substantial, there is every possibility that it could be continued beyond age 60. However, this will be announced later by the above mentioned company.

### FIRE PREVENTION COMPETITION

A Fire Prevention competition between Section Commanders of hangars, workshops, technical buildings, etc., has been set up by the Fire Chief.

This competition will be held at three month intervals, and a trophy will be presented to the Sec-

tion Commander having maintained the best fire hazard free building for that period. The Section Commander receiving the trophy will hold it for a three month period, at which time further inspections will decide a new winner. Presentation pictures and publicity of the personnel responsible for winning the award will be carried in Voxair.

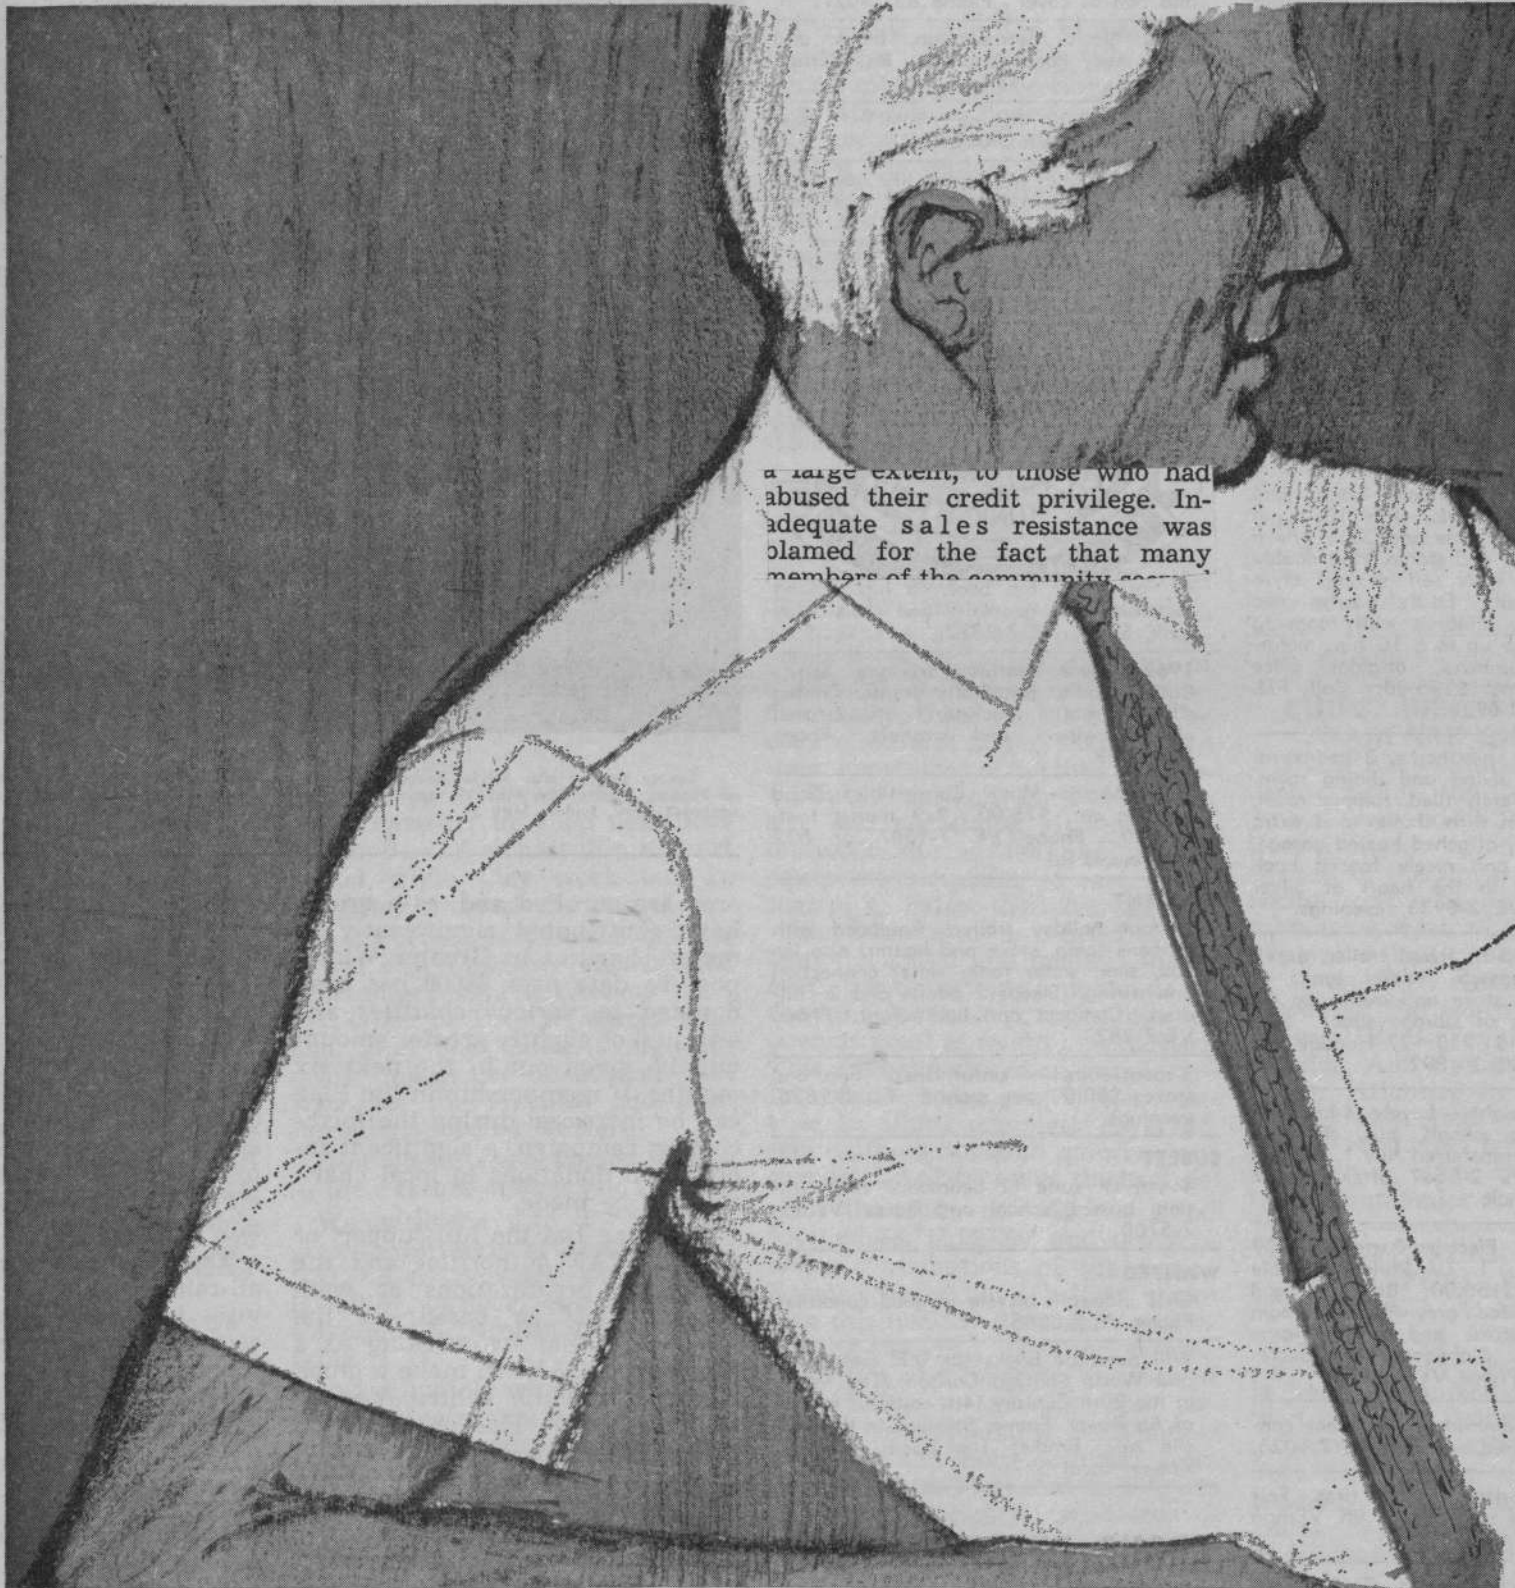

Section Commanders are to ensure that their personnel are made aware of this competition, and make an all out effort to eliminate all fire hazards and observe all fire regulations in their sections.

Let's make this trophy as desirable to win as a sports trophy.
