## Tutor To Replace Harvard

A new era in pilot training became a reality when the RCAF officially accepted the first of approximately 190 Canadair-built CT-114 jet trainers on Tuesday, October 29.

At a brief ceremony at Canadair Limited in Montreal, Defence Minister Paul Hellyer accepted the first aircraft from Mr. J. G. Notman, company president.

Chief of the Air Staff, Air Marshal C. R. (Larry) Dunlap, in turn, accepted the speedy trainer on behalf of the Air Force. It was christened by Mrs. Dunlap.

Known as the "Tutor," the aircraft replaces the piston engined Harvard trainer that has been in service in the RCAF for more than 20 years.

The introduction of the Tutor jet as a basic training aircraft will enable the RCAF to provide all-weather training for pilots in the early phase of their flying career.

This will enable pilots to be introduced to high speed and high altitude flight at the earliest possible stage of their flying training.

The greatest majority of pilots trained by the RCAF are now slated for duty either with the RCAF's Air Division in Europe where the supersonic CF-104 Starfighter is in squadron service, or with the air defence force in Canada flying the CF-101 Voodoos.

The new trainer will not only introduce the pilot to the aspects of high altitude, high speed flight early in his flying training, but will give him more jet flying experience before he is introduced to operational aircraft.

The Tutor is considered one of the newest and most modern jet trainers available. It is powered by a single turbojet engine, and like most modern jet aircraft, has a tricycle undercarriage.

Unlike the tandem instructor-trainee arrangement in the piston engined Harvard, the Tutor has a side-by-side seating arrangement more suited to pilot instruction. It is also fitted with automatic ejection seats.

The aircraft is pressurized, has an altitude capability of more than 40,000 feet, and features a speed range from 65 knots to more than 400 knots. The aircraft has been evaluated by the Air Force and considered one of the most acceptable for basic pilot training in the western world.

The instrumentation and performance characteristics of the Tutor will greatly facilitate the tran-

## Lest We Forget

sition to operational aircraft and will enable the RCAF to train more efficiently the skilled pilots required to fly modern high performance aircraft.

The first two Tutor aircraft to come off the assembly line at Canadair are scheduled to be assigned to the RCAF's Central Experimental and Proving Establishment for climatic trials, electronic equipment evaluation and performance and handling trials.

Next spring the trainers will be delivered to the RCAF's Training Command where operational and maintenance work schedules will be formulated and other adjustments made prior to the start of student training on the new aircraft. This is expected to get under way early in 1965.

Students will undertake the full syllabus of pilot training to wings standard using the Tutor as a basic trainer. In some cases runway and other construction required to support the new aircraft, is already under way.

Meanwhile, until the Tutor comes

into operational service in Training Command, the propeller-driven Harvard will continue to be used for pilot training.

The Harvard dates back to the Second World War years where it was used as an advanced trainer by pilots who received basic flying training on Tiger Moths.

After the war the Harvard became the basic trainer in the RCAF. However, in 1954 a lighter and lower powered aircraft known as the Chipmunk was introduced as a primary trainer in the Air Force. Student pilots later received their basic training on the Harvard before graduating to jet aircraft.

At present, student pilots receive about 25 hours training on the Chipmunk, approximately 165 hours on the Harvard and about 125 hours on the T-33 jet before receiving their wings.

With the advent of the Tutor, training on the Chipmunk and Harvard aircraft will be eliminated. Advanced flying, however, will still continue on the T-33 jet aircraft.

## RCAF Swimmers In Metro Meet

By F/L J. J. STANGROOM

Saturday evening, 2 Nov., the YWCA was the scene of the first swimming meet in which the RCAF Sharks have participated this (1963-64) season. There was a very strong representation from both the YWCA Aquatic Club and the Camp Shilo Goldeyes.

Under the capable direction of Sharon Robinson, the assistant coach, our girls put forth an excellent effort. The caliber of competition was very high, with two Manitoba records broken by the girls from the YWCA Aquatic Club. The RCAF Sharks' medley relay team, made up of Susan Orr, Patricia Hope, Linda Warway and Stephanie Robinson, finished first in their heat and placed third in the final event.

Linda Warway entered the individual 50 yard back-stroke event, and Wendy Barnett entered the 50 yard breast-stroke event.

Some members of the Shark Swim Club will be chosen to make the trip to Camp Shilo on the weekend of 16 November. This will be an opportunity for team members to participate in another Canadian Amateur Swimming Association sanctioned competition, and to show what they have accomplished during the arduous hours of practice.

There was a meeting of the parents to elect an executive to help with the club's organization and administration. S/L McLean, F/O Barnett and LAC Hope were appointed as a nominating committee. During the interim period WO1 Warway accepted the Chairmanship for transportation and Mrs. Orr accepted the position as Chairman of Registration and Records.

The Swim Club is off to a good start, but, because of the football season, several club members have been unable to attend all practices. Terry Barnett, a club member from last year's and this year's team, was injured playing football. This will put him out of action for some time. We expect Terry will still attend practices to help with timing and recording.

F/O Pete Plant with his ever-ready smile and determination, is invaluable as an assistant coach.

The club is open to all dependents eight years of age and over wishing to enter competitive swimming or diving, providing they are willing to work hard and attend

EDITORIAL CORNER

Remembrance Day, 1963

In churches throughout Canada on Sunday, and on Monday, 11 November, we are given opportunities to think of those who died in wars. We will be remembering also the maimed and wounded still in our hospitals; and the bereaved—the parents whose days must lengthen and are lonelier and emptier—the wives and children who show courage to match a dead husband and father.

There are always some who question the wisdom and even the propriety of continuing these Remembrance Day Services. They wonder if any useful purpose can be served by recalling what they consider to have been world-wide tragedies.

Obviously, the answer all depends upon the spirit in which we remember.

With the poet, some will think of the "footprints" of those who paid the supreme price and made the highest sacrifice. Footprints are marks by which we follow our heroes.

It seems to be the favorite pastime for many, even if they attend a Service on November 11, to spend their time detecting not footprints of good, but fingerprints of the evil in our society. Here is a clever and popular conversation-piece for the other 364 days of the year. We are educated to expect the front page of the daily newspaper to tell us what is sordid rather than what is good.

It is a law of life that we see the traits for which we look.

It is good for us to remember, and to be reminded that while there is much to make us think that evil wins over good, a wider reading of history reveals that footprints of goodness give progress and purpose to life, and that good will triumph over evil.

The faculty of memory is ours not simply to remember the past, but to enable us to profit by our own experience, and the experiences of our fellows.

The one worthy and fitting way to honour the sacrifice of those who served in the wars of this century is to give ourselves in fresh consecration—to the quest for peace.

C. H. W.

AN AGE OF KINGS

On October 30th, The Winnipeg Tribune and CBC Winnipeg, Channel 3 started the presentation of "An Age of Kings," the title given to Shakespeare's cycle of eight historical plays depicting the turbulent reigns of seven monarchs. These plays will be presented at 6:00 p.m. on fifteen Wednesday night programmes throughout the winter. The broadcasts were produced by the British Broadcasting Corporation.

For those who love Shakespearean pageantry, VOXAIR will present a short preview of each programme prior to its appearance on television.

"The Hollow Crown" appeared on October 30th and "The Deposing of a King" was presented on November 6th. The following is a preview of "Rebellion from the North" which will be shown on November 13th.

REBELLION FROM THE NORTH

The new King is faced with seemingly insuperable problems. Reckless "Hotspur" and his family revolt in the North... while his son, Prince Hal, prefers the environment of London's disreputable Eastcheap Tavern.

King Henry never reaches the Holy Land. His intended crusade is broken off by an armed uprising at home. His three former allies in the North—the powerful Percy family, led by the treacherous Northumberland, his fiery son Harry "Hotspur," and his brother Worcester—are dissatisfied with the meager rewards they received for their aid to the new King. Mutiny is the inevitable result.

In London, the young Prince of Wales angers his father by mixing with a bawdy group of roistering characters. Among these is the fat and witty knight, Sir John Falstaff, probably the most delightful prankster in English literature. Prince Hal finds their humor irresistible. Wearing masks to disguise themselves, the Prince and his friends, under the mantle of darkness, hold up and rob travellers at Gadshill, and steal back to their headquarters, the cheerful Boar's Head in Eastcheap.

PINK AND BLUE

Congratulations are in order to the following parents: F/O and Mrs. Garry Stratton, a daughter, Kelly Arlene.

LAC and Mrs. Frederick Lundrigan, a daughter, Deborah Anne. Cpl. and Mrs. Walter Scott Latta, a daughter, Barbara Joyce.

LAC and Mrs. Manfred Schilling, a daughter, Monica Lee.

LAC and Mrs. Aldon Griffiths, a daughter, Edwina.

Sgt. and Mrs. Robert Warman, a son, Timothy Andrew.

F/O and Mrs. C. H. McKenty, a son, Ian Frederick.

PUZZLE CORNER

THE CASE OF THE CORRUPT CHIMP

Three men with a monkey and a stalk of bananas registered at a hotel. The banana stalk was placed in a storage room and the monkey was left to guard it.

During the night Mr. A visited the storage room, gave the monkey a banana to keep him quiet, then took 1/3 of the remaining bananas. Shortly afterwards Mr. B did the same. A few minutes later Mr. C came along and did likewise.

The following morning the three men divided the bananas that were left equally and gave the remaining one to the monkey.

How many bananas were there on the stalk to start with?

THE MISSIONARIES AND THE CANNIBALS

A party consisting of three missionaries and three cannibals (named Tom, Dick, and Harry) were proceeding through the jungle and came to a river which they had to cross. There was only one boat available which would only hold two people at one time. The missionaries were confronted with the problem of getting the party across because only they themselves and the cannibal named Tom could row a boat and also there could not be more cannibals than missionaries on either side of the river at one time as the missionaries would then be eaten by the cannibals. They solved the problem and continued on their way. How was the problem solved?

ANSWERS TO LAST WEEK'S PUZZLES

The Case of the Lost Bear

A rectangular house with four southern exposures has to be located at the north pole. Therefore the bear ambling by this house would naturally be a polar bear. White.

The Case of the Funny Money

The two coins are a fifty cent piece and a nickel. One of them is not a nickel, but the other one is.

The Farmer and the Milk Jugs

He filled the 7 quart jug, leaving the other two empty. Then he filled the 5 quart from the 7, leaving 2 behind. From the 5 he filled the 3, leaving 2 behind in the 5 quart jug. Then he emptied the 3 into the 8 and the 5 into the 3. (The 8 quart jug now holds 5 quarts, the 5 quart is empty, and the 3 quart holds 2.) Now from the 8 he filled the 5, then from the 5 he filled the 3. The 3 quart already holds 2, so it will only take one more, leaving 4 quarts in the 5 quart container! Now wasn't that easy?

Table with 3 columns of numbers: 8, 5, 3; 8, 0, 0; 3, 5, 0; 3, 2, 3; 6, 0, 2; 1, 5, 2; 1, 4, 3

**WORLD PEACE SUNDAY — NOVEMBER 10**

“He shall judge among the nations, and rebuke many people; and they shall beat their swords into plowshares, and their spears into pruning hooks, nation shall not lift up sword against nation, neither shall they learn war anymore.”

Josiah 2:4.

**CHAPEL GUILD**

Meeting—Monday, 11 Nov., at 8:30 p.m. at the Chapel. All ladies cordially invited.

**CHAPEL CHOIRS**

Juniors meet Friday 4:15. Seniors meet Thursdays 8 p.m. New members needed and will be welcomed. Mrs. Coulter is organist. Phone VE 2-3920.

During the next month there will be some special services and visiting Chaplains in the Protestant Chapel. Padre White officiates at the Holy Communion each Sunday at nine o'clock. Padre Raeburn-Gibson will conduct the Service of Remembrance at eleven o'clock on November 10. On November 17 Padre Ross will officiate at Divine Worship and administer Holy Communion according to the rite of the United Church, beginning at eleven o'clock. That evening at seven o'clock there will be a special service for young people. The Junior Teens will assist the Chaplains. Padre E. V. Porrior, Chaplain of St. Andrew's Chapel (P), Fort Osborne, will be the preacher. All young people and parents are invited. The following Sunday, November 24, the Junior Choir (some 50 children) provide the anthems and musical praise for the morning service. On December 1, the preacher at the eleven o'clock service will be Major, the Rev. A. F. Otke of Fort Osborne. He will also officiate at a Communion Service using the rite of the Lutheran Church, following Divine Worship.

The Senior Choir practices Thursday nights at 8 p.m. Preparation has begun on Christmas anthems. There is still room for new members. If interested, come along to a practice, or speak to Mrs. Coulter, the chapel organist.

**ROMAN CATHOLIC CHAPEL NEWS**

Rev. V. Villeneuve (W/C Training Command Chaplain (RC)).  
Rev. C. E. Grant (F/L Senior Station Chaplain (RC)).  
VE 2-1311, Local 272.

**MASSES**

Sunday — 9 and 11 a.m.  
Weekdays — 9.30 p.m.  
Saturday — 11 a.m.  
First Friday — 4.30 & 8.30 p.m.

**CONFESSIONS**

Monday-Friday — Before every Mass.  
Saturday — 1900-2000 hours.  
Sunday—Before and during both Masses.  
Other times—by appointment.

Note: If there is no priest in the Confessional, ring “Confession Bell.” Parents are asked to remind their children to come to Confession after school on Friday afternoon, that is, from 1600 to 1630 hours.

**NURSERY SERVICE**

During 1100 hours Mass, young children of parents who attend this Mass, will be cared for by nursery service in the Chaplains' quarters.

**BAPTISM**

Usually on Sunday afternoon. If this is inconvenient, another day of the week may be chosen. Telephone the Chaplain's secretary during working hours to arrange the date and the hour. This will make it possible for the papers and certificates to be filled in beforehand.

**MARRIAGE**

Contact the Chaplain or his secretary at least one month beforehand if both parties are Catholics. In the case of a prospective mixed marriage, notice should be given at least two months in advance in order to give time for the couple to follow the instructions required by Church Law.

**SENIOR CHOIR PRACTICE** is held every Thursday at 7.30 p.m.

**JUNIOR CHOIR PRACTICE** every Friday at 6.30 p.m.

**ALTAR BOY CLASSES** every Thursday at 6 p.m.

**RETRAT** A men's retreat, sponsored by The Knights of Columbus, is scheduled for the week-end of Nov 22, at Villa Maria in St. Norbert.

**STATION LIBRARY**

Recreation Centre (Bldg. 90—Rm. 25)

**HOURS OF OPERATION**

Monday to Friday—  
1200 hrs. - 1730 hrs.  
1800 hrs. - 2100 hrs.  
Sunday—  
1400 hrs. - 1730 hrs.  
Closed Saturday.

**REMEMBRANCE HOLIDAY WEEKEND**

Library will be closed Sat., Sun. and Mon. (between Nov. 9 and 11th). Re-open Tues. Nov. 12 at 12 noon.

We have received an additional selection of books written in the French language. Many famous authors such as Frank Slaughter, James Michener, Simenon (Margret Mystery Series) and John Masters are represented in this collection.

**Distaff Side**

**PROTESTANT CHAPEL LADIES GUILD**

The regular monthly meeting of the chapel Guild will be held on Monday November 11th at 8.30 p.m. This is the last meeting before the Bazaar ladies, so please plan to attend so that all the loose ends may be tied up for the Bazaar at this meeting.

Mrs. Hodgson, who is convener of the Bake sale at the Guild bazaar, has asked us to apologize to any of the Protestant Ladies in the married patch, who may be missed in the annual telephone blitz which usually takes place the week before the bazaar. It seems that the phoning committee is having some difficulty obtaining phone numbers of many Protestant families in the housing areas. Your help is needed Ladies, and the Guild will greatly appreciate any baking turned in for the bake sale.

Approximately 15 ladies turned up at the chapel last week for a work meeting for the bazaar and a busy and most enjoyable meeting was enjoyed by fellow workers. Time is fast running out on our workers as the bazaar approaches. If you are still working on some article in your home we would appreciate having it finished up promptly and turned in for pricing as soon as possible.

**RECIPE OF THE WEEK RICE AND MEAT BALLS**

- 2 cups corn flakes
- 1 lb. ground beef
- 1 envelope exotic herbs salad dressing mix
- 1/2 cup milk
- 2 tablespoons fat
- 1/2 cup water
- 1 can condensed tomato soup
- 1 can cream of mushroom soup
- 3 cups fluffy rice

Crush cereal slightly. Combine cereal, ground beef, salad dressing mix, and milk; mix thoroughly. Shape into about 38 small balls, using about 1 tablespoon of the meat mixture for each meat ball.

Melt fat in skillet; add the meat balls. Saute, turning frequently until browned on all sides. Remove meat balls from skillet and add water. Bring to a boil, loosening all pieces of meat clinging to skillet. Then add soups and mix well. Return meat balls to skillet. Cover and simmer 5 minutes. Serve meat balls and sauce over hot cooked rice. Makes about 6 servings and a very filling supper dish. Bleu cheese salad dressing mix may be used instead of the exotic herbs mix. Or try some other types of seasoning. It really pays to experiment with this type of dish.

**C.W.L.**

The regular monthly meeting of the C.W.L. will be held in the Chapel at 8.30 p.m. on Monday November 11th. Among other things, final plans will be made for our annual bake sale in December. After the meeting, Mrs. Kostiuk, who I am sure is well known to a great many of you, is coming to give us a hair-dressing demonstration and will also answer any question you would like to ask about hair care. This should be very interesting, so come on out!

By the way, don't forget ALL Catholic ladies are welcome, we love to see Airwomen as well as the wives of R.C.A.F. personnel. If you need a ride, call me, Pam Pawlak, at VE 2-4466. We'll be looking for you!

**SENIOR TEENS**

A group of about thirty people attended the November 3rd meeting of Senior Teens in the Protestant Chapel. After the devotional service, led by some members of the group, we adjourned to the annex for the remainder of the meeting. Ken Pettigrew was elected chairman of the Social Committee. We then watched another in our series of films about the Earth and Mankind.

Next week, we will be having lessons in public speaking. We tried this once last year and had a lot of laughs. Also for next week, everyone is asked to bring articles from newspapers and magazines about the world population explosion. These will be read and discussed.

The concluding film in our series will be shown on November 17th.

By MICHAEL J. KOSTER

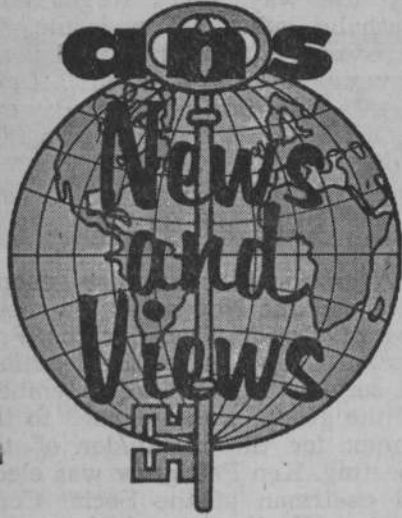

We had a very good turn-out at our previous inaugural meeting of the Astra Numismatic Society, on Tuesday evening 29 October. In fact the attendance was the best we've witnessed since the coin club was formed in January of this year. Sgt. D. Segouin came as a guest of Gerry Boux.

Election of officers took place for the new season. Our new officers are S/L E. W. Garrett who was elected president and chairman; F/L A. H. Chadwick vice-president; Mrs. A. Walters recording secretary.

Mr. Gerry Boux, F.R.N.S., gave us a very enjoyable talk on Canadian and American coins and their mintage. He also turned over a lovely medallion as a gift to our Coin club from Mr. Dan Chinski of Weyburn, Saskatchewan. Apparently this medallion was made by someone in the RCAF or RAF because it shows a beehive surrounded by the inscription “per aspera ad astra” and at the bottom are the letters LOTM.

It was made in the year 1930 and I would appreciate hearing from anyone on the station here who may have more details on the history behind this attractive medallion which is now the property of the Astra Numismatic Society. Many thanks again to Mr. Dan Chinski of Weyburn for his very kind contribution.

At 2115 hrs. Sgt. Donald Seguin from Camp Shilo, Man. won the draw for the box of coins. These prizes take place at all our meetings. Each person places a coin into a box after signing the attendance register. We shall see you at our next regular meeting, 19th Nov.

By F/O G. LEBOEUF

**MARRIED**

F/L Grant McPhee, Nav/Air, got married Sat the 26th of Oct. His pretty wife, Michelle, is from Montreal and will be kept busy giving Grant French lessons. Grant is all for bi-culturalism.

**TRANSFERS FROM CNS COURSE TO ANS**

F/L Blamire, F/O's Bates, Germain, Hyslop and Viner on SNILR course, F/L Martel and F/O Young on SRI Course and F/O Blair on SNIAI course will be transferred to ANS at the end of their course at CNS at the end of December to take up instructional duties. Welcome to all of you.

**4 OTU TRENTON**

F/O's Gearing, Mcelman and Robertson, pilots from ANS/FW are posted to 4 OTU Trenton on 29 Nov and then transferred to a unit in ATC.

F/L Hallee and F/O's Bisson and Topping are also attending the 4 OTU but will return to ANS Winnipeg at the end of their course.

**FAREWELL PARTY**

There will be a farewell party in the Upper Lounge of the Officers' Mess Friday the 8th of Nov at 1800 hrs. Food and refreshment will be served. All ANS officers are welcome to attend. The following officers leaving ANS will be presented with tankards:

- F/L Jack Bailey—transferred to 101KU Dartmouth.
- F/L Jim Shipton—transferred to CNS.
- F/L Norm Lee—transferred to CNS.
- F/O Jim Bateman—412(T) Sqn Uplands.
- F/O Jack Godin—Goose Bay.
- F/O Arnie Cheshire—U. of M.
- F/O D. B. Gearing—4 OTU and ATC.
- F/O R. F. Mcelman—4 OTU and ATC.
- F/O J. E. B. Robertson—4 OTU and ATC.

**POSTINGS CONVERTED TO TRANSFERS**

The following officers from FW have seen their postings converted to transfers: F/O's Schoneberg, Triolaire, Fuller, Boxer and Paproski.

**FAREWELL DINNER — ALL YOU CAN EAT**

F/L Jack Bailey was the guest of honour, of ever-lasting friends, at a farewell dinner, which took place in a certain restaurant in Winnipeg last Friday.

**THE NAVIGATOR**

Extract from The NAVIGATOR —USAF Magazine Vol XI, Number 1, summer 1963.

"The navigator is the backbone of a polished aircrew . . .

. . . a navigator is a man who is always right. This isn't because he won't admit that he is wrong but because he can rarely afford the luxury of not being right."

**RCAF SWIMMERS**

(Continued from page 1)

all practices. The diving team under the capable direction of LAC Shepherd, will hold practices every Saturday, 1100-1300 hours. Swimming practices are Tuesday, 1700-1900 hours, and Saturday, 1800-1900 hours.

**CLUB 61**

By JIM LEWIS

The Sunday film shows are receiving a much greater response than was expected considering they have only been in operation two weeks. The attendance proves they are going to be an obvious success during the winter months. I have met a few people who were not aware of the show's existence. It was entered in Voxair twice but unfortunately was not seen by all club members. Publicity of club activities can become a little complex, however we will be entering an account in DRO's and also try to deliver a "calendar" flyer to each section. To further the cause, if any of you reading this article could mention those facts to your buddy, I am sure a lot of worthwhile publicity can be effectively achieved.

Recently we have been receiving bigger and better attendances at the Club on Saturdays and Sundays. Those of you we do not see too often, come along and see for yourself.

Our PMC, LAC Bruce Lackey, is still in Deer Lodge (as of submitting this article). All we can say is we wish you a speedy recovery and get back to the club soon, Bruce.

As most folks know, W/C Millar is retiring from the service in the very near future. The Wing Commander has been a most valuable asset to our Club and the amount of assistance we have received from him during our acquaintance has been ceaseless. The Club has been given the opportunity to say "THANKS" to W/C Millar officially on Friday, 22nd of Nov. This is to take place downstairs in Club 61. I am sorry to say there will be no relaxed dress for anyone and the upper bar will be closed. Hope you will all attend this farewell night as I am sure Club 61 is losing a good friend in more ways than one. There will be food and stag prices on the drinks in effect this night. Also this is the night the Airwomen meet the Airmen in the bowling competition. The list for the Airmen competitors is in the upper bar at the Club—get your names down fellas.

The bar hours have been changed on the weekends for the benefit of card and dart players and TV viewers. The upper bar will be open for your convenience Saturday from 7 p.m.-11 p.m. and Sundays from 3 p.m.-10.45 p.m. The lower bar Sunday afternoon hours have been changed to 1 p.m. to 3 p.m. to coincide with the film show which starts at 3 p.m.

The Calendar for the remainder

By DICK GINTER

What color is a blueberry when it's green? Ask WO Cassidy or Flight Brawley: they know!

The mornings are crisp and cool, just like expected in November. We hear a lot of complaints about the cold weather, however, talk to the folks who have spent a few winters in the warmer climes; then you will hear praises. Yes, praises for this clear, clean, fresh, bracing, healthy, not too damp, country. Personally we think it's the greatest!

LAC Woody Woodland is back after having spent four months as MW runner. He used the opportunity to good advantage and picked up a couple of DVA courses during this time. Very commendable, Woody.

LAC MacDonald, who was Woody's stand-in at 10 hgr, has returned to limbo of 16 hgr.

LAC Gene Allen, science fiction fan and morticians mate (make up), has taken over as runner. We are looking forward to a few moments of light hearted conversation each time he appears.

LAC Fredlund, recently of I&E Repair, is getting into the swing of things at Trans/Serv.

We hear there are several volunteers for El Arish. Does the coming of winter have any influence on their decision?

One of the more interesting events that take place in this office is the occasion when our two WOs get together and start reminiscing. "The old detached shirt collar, the straight jacket type dress uniforms, \$1.10 a day, the NCOs who were treated like gods, the fast life, the loose women, the over abundance of liquor, the unusually sharp eyes for MPs and cops, kitchen police (sans dish washer and potato peeler)." Stiff regulations and stiffer standards are some of the mentionable items they discuss. Anyone who survived those conditions must have been blessed with an unusual amount of fortitude and placidity. No wonder they say, "Old soldiers never die . . ." They can survive anything!

Sgt J. D. Ross of I&E Serv and Cpl Cal Shermerhorn of T/S are up in Log Control now. Seems the

of November has had some alterations and stands as follows:

- Fri. 8—Sub Beer—1600 Hrs.
- Sat. 9 — Dance Imperials — 2100 Hrs.
- Sun. 10 — Film "Battle of the Coral Seas" — 1500 Hrs.
- Sat. 16 — Sadie Hawkins Dance — Al Jackson and the Dixielanders.
- Sun. 17 — Film "Weekend With Lulu" — 1500 Hrs.
- Fri. 22 — Sub Beer.
- Airwomen vs. Airmen Bowling.
- W/C Millar's Farewell.
- Sat. 23 — Dance Vibrates — 2100 Hrs.
- Sun. 24 — Film "Thunder in the Sun" — 1500 Hrs.
- Sat. 30—Dance Harmonies—2100 Hrs.

old incumbents gave up the ship, it is now being manned from the floor.

There will be a registration for hockey players (kids) at the Silver Heights Community Club on Saturday, 9 Nov 63. Between 1000 and 1400 hrs. All boys may enter the house league, but they may not play in inter-community league if they live in the Airforce housing developments. Those are Metro rules designed to prevent packing of inter community league teams.

LAC Brian Beasleigh, originally of Oxford, England, and more recently of Trans/Serv as a member of the auxiliary, has transferred to the RCAF Regular Force.

Brian was educated in various schools throughout North America travelling with his frequently transferred father, S/L Beasleigh, now at McChord AFB, USA. He joined the RCAF (Aux) in April at 3052 TTU Wpg, where he was picked as the best Mech Air trainee of the course and was subsequently transferred to 3001 TTU staff.

For the past summer LAC Beasleigh has enjoyed the life at Trans/Serv so he decided to join the RCAF (Reg) in one of the radar trades.

Brian is presently on leave visiting his parents and will be starting his formal training in a couple of weeks. We wish him the best of luck and lots of promotions in his new career.

# HOGGING THE ROCK

By KEN STEPHENSEN

The first thing I would like to say, now that all leagues are in full swing, is that congratulations are in order to all the league representatives for a fine organizing job. It certainly is apparent from the efficient manner in which these time consuming tasks are being handled, that the right men were chosen for the job.

In 1930, a ten year old boy won a hunting knife as a prize in reward for his first year curling efforts at a local rink in Bradowardine, Manitoba. In 1963, this same sportsman became the third member of the RCAF Winnipeg Curling Club to be honoured with a life membership. In previous years, honorary life memberships have been awarded to W/C Cliff Evans and Ex FS Bobby Ibison for what might be termed: "devotion above and beyond the normal call of duty". Our most recent recipient is no exception. Through thousands of hours of ice time he has experienced many curling thrills, particularly since joining the RCAF in 1940. Here are some extracts from his Curling Log Book:

- Runnerup 14 Trn Grp
- Playdowns ..... 1954
- Military Veterans Pelissiers Legion Champs ..... 1954
- President RCAF Portage la Prairie Curling Club ..... 1955
- Runnerup 14 Trn Grp
- Playdowns ..... 1955
- Chairman of 2(F) Wing curling Council ..... 1957
- Won 2(F) Wing Stn Championship ..... 1957
- Secretary RCAF Winnipeg Curling Club ..... 1958
- Birks Tri Service Trophy Winners ..... 1959
- Secretary RCAF Winnipeg Curling Club ..... 1959
- "A" Group Winners RCAF Winnipeg ..... 1959
- Secretary RCAF Winnipeg Curling Club ..... 1960
- "A" Group & RCAF Winnipeg Club Championship ..... 1960
- Won prizes in fours in Free Press Event ..... 1960
- Chairman RCAF Winnipeg Junior League ..... 1961
- Secretary RCAF Winnipeg Curling Club ..... 1962
- Awarded Honourary Life Membership RCAF Wpg ..... 1963

We can see from his Log Book that his executive duties compare equally with his ice time. Unfortunately, new members will not have an opportunity to meet our new life member on the ice this year, at least not in the regular league. Because of new duties this season with the ACLO, which will require considerable absence on TD, he has decided to

retire for one year from regular play. Speaking of retirement, when asked where he intends to reside when he leaves the service a few years from now, he replied, "Winters in Florida and summers in Winnipeg and if the people in Florida don't curl, they'll just have to learn".

I am sure by now, that all previous members of the curling club, know, without reading further, of whom we speak. This is in itself a tribute to the individual concerned. However, for the benefit of the new members, this column congratulates this curler on his life membership and adds: "Lorne Common can be proud of his recent achievement, but what is perhaps more important, is that the RCAF Winnipeg Curling Club can be proud of Lorne Common, a truly colourful and dedicated curler".

\* \* \*

Heard behind the glass . . . "I've been skipping up here for six years and that 's the first shot I've missed" . . . and . . . "Last week I told her not to be so heavy, so what does she do, she's gone on a diet."

\* \* \*

The new slide rule . . . Rule 16: "Each player must play from the hack and in the delivery of the stone, no part of the curler's body shall go beyond the nearest hog line during the uninterrupted motion in the delivery of the stone, i.e., a curler in the act of delivering a stone must come to a complete stop before any part of the body reaches the nearest hog line. Nor shall the curler be permitted to leap over, slide over on the other foot, or even put his hand over to check his slide" . . . This rule is the end result of a meeting between the powers of the DCA who decided it was time to prevent people from using loopholes such as stepping over the hog line when the rule states "a player mustn't touch the hog line with his sliding foot" . . . In my opinion, I think it stinks and still causes unnecessary confusion. First the rule states "no part of a culer's body shall go BEYOND the nearest hog line etc," then adds the curler "must come to a complete stop before any part of his body reaches the nearest hog line". This suggests to me

## HONORARY CURLING LIFE MEMBER

FS Lorne Common who was recently made an honorary life member of the RCAF Winnipeg Curling Club, is congratulated by the Club President, F/L R. E. Mills.

that you can touch the line but not go beyond it providing you come to a full stop before you reach it. What is their aim? I understood it was to ensure the stone was released before the curler reaches the hog line. Then why don't they say that instead of coming out with this gobbledegook. The slide is the most colorful attraction of the game, and curtailing it is like forcing a ballerina to do the goose step. Let's be honest, the curler was told he could not touch the hog line with his sliding foot, so he stepped over it sometimes with the rock still undelivered. If that the kind of loopholes they want to stop I suggest the rule should read "The stone must be released before any part of the curler or his broom pass the hog line". Once the stone has been delivered what difference does it make if the curler slides to the other house, if he ends up shot, don't count him. In every other sport coaches and trainers stress the follow through, but curling no, instead they are forcing the long slider to do something unnatural,

so we now see a ten or twenty year curler sliding with the confidence of a drunk walking an imaginary white line.

On the scene . . . Fader over Stewart 13-7; Stewart was leading 7-4 when Fader pulled a real pretty 5 ender in the 7th and never looked back after that. Stewart's last rock was of no value, so to add color to the game, in one continuous slide from the hack he placed the rock on the button . . . Tie games . . . Monteith and Spruston, Yoder and Saunders, Maxwell and Sather. The first mentioned won on skips rocks although there appears to be some controversy on whether skip's rocks should be used to decide a game played for two hours by eight players . . . Shot of the week: Ron Merriam made a beautiful raise of his own rock onto a Jenkin's rock, knocking it out to count 5 which was enough to win the previously tied contest . . . Graham tried hard to overtake Price's 9-7 lead but with three Graham rocks in the house, Price made a double takeout and Jim was heavy with his last rock . . . Sorry to hear Ed McCarvill had to pull out of the league with back trouble we hope that he and Bill Erdman who is hospitalized, have speedy recoveries.

### MARATHON SWIM RESULTS

Left to Right: LAC Dauphineas, F/O Plant, Cpl. Brian, LAW Faught, W/C W. B. M. Millar, S/L McLean and LAC Sequin.

Final results of the RCAF Marathon swim, saw F/O Plant of ANS FW take top honours in the individual events. F/O Plant swam a total aggregate distance of 85,000 yards or 48.2 miles over the period of 5 days. He was presented with the RCAF engraved mug by W/C W. B. M. Millar, CAdO, Station Winnipeg.

The final results of the marathon swim were: Station Senneterre, 8,786 miles; Foymount, second with 8,735.8 miles. Women's competition, Station Bagotville, 4,880 miles and St. Sylvestre, second with 8,854 miles.

Airforce wide results of individual events are: Men's Longest continuous swim, Cpl. G. Sullivan of Senneterre with 24,960 yards. F/O Plant, greatest individual total of 85,000 yards. In the ladies division, LAW E. Andrews of Bagotville with 17,600 yards and Cpl. A. M. McGregor of Bagotville with the greatest individual total of 75,000 yards.

Station results saw F/O Plant take both the longest and aggregate with 11.0 miles non-stop and the 48.2 miles over the 5 days. LAC Sequin placed second with 30.2 miles. The airwomen results were: LAW Sue Mueller taking the two awards with 6 miles non-stop and 20.5 miles for the 5 days. Second was LAW Carol Faught with 8.6 miles aggregate total.

Hidden length scores based on daily swimming were won by S/L McLean of TCHQ, LAC Sequin, Cpl. Brian, LAC Dauphineas and LAC Husband. For the females, LAW Faught and LAW Moir took home the hidden length medals.

This years Marathon swim rates higher than last year, but still not enough to come close to RCAF records. Lets hope more personnel will participate next year. Congratulations to the above recipients for a fine show in the 1963 Marathon swim.

### FOOTBALL TELECASTS

CBC television coverage of the 1963 Canadian Football League playoffs begins on Saturday, Nov. 9. Following is a schedule of playoff games to be carried on the full CBC-TV network:

Saturday, Nov. 9 — Eastern Semi-final (One game, sudden-death). Montreal Alouettes vs. Ottawa Rough Riders in Ottawa. Telecast time is 1.00 p.m. E.S.T.

Saturday, Nov. 16 — First game of the Western final (A best two-out-of-three game series). Winner of the Western semi-final meets the B.C. Lions. If Saskatchewan Roughriders win they meet the Lions in Regina with the telecast start at 3.30 p.m. EST. If Calgary Stampeders win they meet the Lions in Calgary with the telecast starting at 4.30 p.m. EST.

Wednesday, Nov. 20 — Second game of the Western final. Either Saskatchewan or Calgary play B.C. Lions in Vancouver at 11.00 p.m. EST.

Saturday, Nov. 23 — Third game of the Western final. (If necessary) Either Saskatchewan or Calgary play B. C. Lions in Vancouver at 5.30 p.m. EST.

Sunday, Nov. 24 — Second game of the Eastern final. (Two-game, total points series) Winner of the Eastern semi-final, either Ottawa or Montreal, play Hamilton Tiger Cats in Hamilton at 2.00 p.m. EST.

Saturday, Nov. 30 — Grey Cup game. Winner of the Eastern final meets the winner of the Western final at Empire Stadium, Vancouver starting at 3.30 p.m. EST.

### Notice Board

#### CASUAL BOWLING HOURS

Wednesday ..... 1830 to 2200 Hrs.  
Friday ..... 1830 to 2200 Hrs.  
Sunday ..... 1500 to 1700 Hrs.

#### MODEL AIRPLANE CLUB

Are you interested in participating in a model airplane club on the base? If so please write to the following address:

Westwin Model Aero Club  
Box 99  
RCAF Stn. Winnipeg  
Westwin, Man.

State name, address and telephone number. Open to any age — Service Personnel and Dependents.

Deadline for entries is 15 Nov. (Friday).

#### WANTED

Boys, Boys, Boys, Boys.  
Ages 5 - 6 - 7 Years.

Needed to learn to skate and to play hockey. Enjoy the outdoors. Join Now!

For information contact:  
Cpl. M. D. Smith, VE 7-1176 or Local 316.

### CORPORAL'S CLUB

By BILL BAXTER

The first curling bonspiel is now in the record books and, by now, all those muscles that some of us didn't even realize we had are back to normal. The firing started Friday afternoon and when the smoke cleared at nine Saturday night Ron Merriam, his third Marie Smythe, second Russ Sanderson and lead Andy Smythe had taken the main event after a tough final game with Bob and Don Gladish, Earl Kilpatrick and Frank Binkum. The second event went to Don and Pearl MacPherson and Nioma and Doug Hahn who polished off Murray Greenberg's powerhouse consisting of Murray, my good wife Doris, yours truly and Rip Riopelle. The curling was great and the Saturday night wind-up dance was well attended, tremendously enjoyed by all and topped off by some absolutely delicious Chinese food.

This Saturday night is Bingo Night with \$55.00 in fifty one numbers up for grabs along with nine other bingo's and on Sun night David Niven and Michael Wilding star on the wide screen in "The Best of Enemies". This is a highly recommended comedy so come over at eight thirty and spend an enjoyable evening in the "CLUB".

Keep in mind the Candle Light Dinner on the fifteenth and the next week— See you ALL at the "CLUB".

## THE NEW AND THE OLD

The RCAF's new elementary jet trainer, the CT-114 Tutor, has a Canadair airframe and an Orenda-built General Electric engine.

All-metal and pressurized, the trim Tutor is the first single-engine training aircraft in RCAF history to have side-by-side seating, an arrangement which allows the instructor excellent visibility at all times. Turbojet-powered, it is fast enough to introduce embryo pilots to the problems of compressibility and to give them a thorough jet orientation from the outset of their training.

When the CT-114 enters RCAF service in 1964, it will give the Regular Force's single-engine training programme an all-jet format.

Length	32'
Span	36' 5 3/4"
Height	9' 3"
Weight (max.)	7,393lb.
Speed (max.)	488 m.p.h.
Power	One General Electric J85 - CAN - 40 turbojet developing 2,700 lb. thrust (max. continuous) and 2,850 lb. thrust for take-off.

The North American Harvard, manufactured in wartime by Noorduyn and in peacetime by Canadian Car & Foundry, is the RCAF's all-time veteran aircraft in terms of continuous service: it has been in use as an advanced or basic trainer for more than 22 years, and has become the most successful and renowned training aircraft in RCAF history.

By virtue of their sturdy construction, economical performance and all-round reliability, Harvards played a major role in the British Commonwealth Air Training Plan of the Second World War in the post-war NATO Training Programme, and have served to train more pilots than any other aircraft of any era.

**"CAN YOU REALLY AFFORD  
TO BUY LIQUOR?"**

You probably have family responsibilities, bills to pay, repairs to make . . . can you really afford to buy liquor?

*You are the only one who can say—but the needs and obligations of the individual and his family should first be adequately met.*

**LOTS OF PEOPLE DRINK—CAN THEY AFFORD IT?**

Nearly two-thirds of Manitoba's adult population drink—and may consider that money spent on liquor is a justifiable expenditure. But many families and individuals spend TOO MUCH on alcohol.

**NOBODY FORCES THEM TO!**

Wrong! SOCIAL PRESSURE—the thinking that liquor is the "smart way" to entertain—forces them to spend more on liquor than is wise or than they desire.

**WHAT'S THE ANSWER?**

You may decide that there are alternate ways to entertain . . . but if you serve liquor, do so sensibly, sparingly, and without sacrificing something important for the price of alcohol.

One in a series presented in the public interest by the

**MANITOBA COMMITTEE  
on ALCOHOL EDUCATION**
