

17 WING PARTNERSHIP PROGRAM

“Providing meaningful job connections for military dependents”...

One of the most common sources of dissatisfaction for military members' spouses and their dependents, is the challenge in finding suitable employment at their new location.

17 Wing Winnipeg has heard this concern and have taken steps to help mitigate this problem. One of these steps was to reach out to Kevin Gill, President of Staffmax, to see how the organization could best support those who have been recently posted.

BECOMING PARTNERS

With the assistance of other partners with ACSESS (Association of Canadian Search, Employment and Staffing Services), Staffmax and 17 Wing developed an accessible, easy program to enable spouses and partners to maximize their career in Winnipeg. It's as easy as sending an email!

After seeing some success of the pilot program, this exciting venture has the potential to go nationwide. This will enable spouses and partners across all bases to access these same services, no matter their new posting location.
